FINANCIAL AID

As there seems to be a lot of confusion regarding financial aid available to students, I requested the Financial Aid Officer (Evelyn Buriak) to provide me with some general information, which she did.

D. Moutter

What can K.E.C. students expect from the Financial Aid Office?

Advice on the main sources of financial aid available at K.E.C.

Assistance on budgetting and money management.

Counselling on long-term planning to finance your education.

Emergency assistance to keep you from having to drop out for financial reasons - assuming you prepare adequately and responsibly manage your affairs.

The main sources of Financial Aid:

ABESAP - a non-repayable grant for educational costs only; based on financial need; students must demonstrate regular attendance and suitable progress; applications available in the Counselling Career Centre.

BCSAP - a program of loan assistance that can cover living costs and educational costs; based on a need assessment; applications available in the Counselling Career Centre; approximately 8 weeks processing time.

Bursaries - a limited number will be given in the Fall, Spring, and Summer semesters; based on need; application will be available in the Counselling Career Centre; it is expected that students will have already applied for all other available types of aid (including BCSAP).

Emergency Loan - a small loan fund to assist students in emergencies; must show a certain ability to repay; must repay while still a student.

Scholarships / Awards - a limited number will be given in the Fall and Spring semesters; based on marks and/or recommendation of Faculty.

FINANCIAL AID (Cont'd.)

A. B. C. STUDENT ASSISTANCE PROGRAM (BCSAP)

The B. C. Student Assistance Program is composed of two inter-related components:

1. The Canada Student Loan Program, federally funded and
2. B. C. Provincial Loan Program funded by the province.

BCSAP provides loans to help with tuition, books and living expenses of full-time students in specific programs, who satisfy residence and other requirements.

Applications and additional information regarding BCSAP may be obtained from the Counselling Career Centre and from the Financial Aid Office. Audio visual aids for completing applications are also located in the Centre. Completed application forms should be returned to the Financial Aid Office. The deadline for completed forms is ten weeks before the end of the educational term or 8 weeks before the end of term for programs that are less than 20 weeks. If funds are needed by the first day of classes, applications must be submitted ten weeks in advance.

Programs eligible for this assistance are:

Auto Body	Homemaker
Auto Mechanics	Institutional Aide
B.T.S.D. Level 4	Music
College Foundations (Grade 11 & 12)	P.P.W.H.I.
College Preparatory English 098 & 099	Pharmacy Assistant

Students who are being supported by the Ministry of Human Resources must apply to that agency for financial assistance before applying for ABESAP, and provide a letter of refusal from Human Resources with the ABESAP application.

INVEST A MINUTE TO WIN A WEEKEND AT BC'S NEWEST MOUNTAIN RESORT: TYAX

The newly established Vancouver Community College Alumni Association is offering you a chance to win a weekend for two at Tyax Lodge, the West Coast's largest log structure located 125 kilometres northwest of Lillooet. The Alumni Association will give you one entry in the draw, to be held June 17th, for every alumni contact you submit to their office. The names of the first one hundred alumni to become members of the Association will also be entered into the draw.

The winner of the Tyax Mountain Weekend will enjoy the fine cuisine and superb recreational facilities of one B.C.'s newest resorts. The second prize winner will receive an exciting day of river rafting adventure on challenging rapids courtesy of White Water Adventures. The winner of our third prize will relax closer to home while having lunch with a friend in Monk McQueen's Oyster Bar at Stamps Landing on False Creek.

To be eligible to win any of these prizes you simply have to provide us with the names and current addresses, and/or phone numbers, of any of the former students of VCC. A former student is any individual who has completed at least one course at any of the College campuses, and who is not currently a student. (Information obtained directly from student records by those who have direct access to them does not qualify.) Remember all entries must include a currently valid address or phone number.

The Vancouver Community College Alumni Association is running this contest as part of its membership drive. This is one of several strategies that will be implemented in the upcoming months to locate and enlist the support of VCC alumni. Every contact you submit will be given an invitation to join the Association. Contacts provided will not be registered for membership without their prior consent. If you yourself are an alumni you can be eligible to win prizes simply by becoming one of the first 100 people to register for membership.

The VCC Alumni Association is seeking to obtain enough initial support from alumni to lay down the framework for an active and thriving Alumni Association. This is the first of many steps in the development of the organization. It is our sincere hope that we may rely on the support and assistance of VCC staff and faculty in getting this project underway.

With your support we can call attention to the accomplishments of VCC and its alumni. So please pull out your old correspondence from former students or send us a copy of your department's list of alumni contacts.

Please forward your list of contacts and any other useful information to:

SECURITY REMINDER

It has been noticed that many of the staff and faculty are still leaving purses, wallets or money either on or in their unlocked desks. This is very tempting for a would be thief.

Please remember to lock your valuables in filing cabinets or a secure cupboard.

AT THE LIBRARY

Vacations coming up? If you are on the library's routing lists for periodicals, please let us know if you will be away so that we will not send a journal to an empty office. Since many people are on holidays in July and August, as a matter of course, we will not route any periodicals during these 2 months.

If you are involved in selecting software, the library has a Preview Guide of 1987 Educational Software. This was developed by the Educational Software Evaluation Consortium and California TECC Software Evaluation Forum. We have separate catalogues for software on: Cognitive processes, the Language Arts, and Mathematics. These evaluation catalogues are kept in the periodical stacks, which means the workroom on the upper level of the library. Please ask a staff member for assistance.
