What do you know about contraception? sexually transmitted diseases? AIDS?
your personal fitness level? nutrition? dental hygiene? food safety?

Have you ever been inside an ambulance? How about the BATmobile?

How's your blood pressure? your heart? your lungs?

Do you know what to do in an emergency: CPR, choking, bleeding, a fire?

What summer fitness and recreational opportunities are available to you?

What health resources are available to you?

ALL THIS AND MUCH MORE will be part of the K.E.C. Health Fair. So make a day of it!
Come alone or come as a class, but come and have fun and learn about something
