GOODBYE DOROTHY NEVILLE:

Dorothy Neville took early retirement in May 1987. After recovering from a serious riding injury she decided to change from her one half-time position to full time retirement.

Dorothy was the first Counsellor working at the Special Programs Division (now KEC) of Vancouver City College (now Vancouver Community College).

Before moving to VCC, Dorothy worked for the Federal Department of Indian Affairs as the Special Counsellor for native B.C. Indians. In 1970 she was hired by VCC through a contract with the Federal Government. In April 1976, the Special Services for Native Indians was discontinued, and Dorothy joined the KEC Counselling Department.

Dorothy knew all the Native Indian Band Leaders, and had contacts throughout B.C., which she made during her extensive B.C. travels. Her office walls were covered with pictures of native families, from babies to grandparents. She was recognized for offering competent and humanistic services. Native students still sought her out after she moved to the Counselling Department. Dorothy is well known for her knowledge, wisdom, humour, independent spirit, and her unique sense of style. Staff, faculty and students will experience her loss from the College.

We wish Dorothy all the best.

CAFETERIA ADVISORY COMMITTEE NEWS:

Thank you for your letters and notes expressing your opinions. The greatest concern seemed to be the closing of the door between the student and staff eating areas from 10:00 a.m. - 2:00 p.m.

The closure of the door was a recommendation of the Food Services consultants to avoid traffic congestion around the cash registers.

In an effort to facilitate your requests the doors will be opened at 1:00 p.m. Please keep us informed if this meets your needs.

PRESIDENT'S COMMITTEE ON INNOVATION:

Paul Gallagher, the President of Vancouver Community College has just announced a Committee on Innovation. He notes that the primary role of this committee would be "to bring together people throughout the college interested in unusual, imaginative and/or innovative ideas about education that might have application within the college. Committee meetings - perhaps three or four per year - would be opportunities for such people to share their ideas and to establish linkages with colleagues they do not meet on a day-to-day basis. The results, after appropriate evaluation, could be the introduction of change that might otherwise not occur".

Let me encourage you to attend! The first meeting will be held on Tuesday, October 20 at VVI at 3:30 p.m. (Room will be determined when the size of the group is known.)

Please let me know by Tuesday, October 13, whether you can attend. I will be pleased to forward your names to Mr. Gallagher.

A BOUQUET OF THANKS TO:

Gertrude O'Neill, who not only keeps the mail room operation functioning but also supplies the 4th floor Administration Reception area with an endless supply of flowers. As a gardener who usually manages to raise more weeds than flowers, I must admit Gertrude must have a "Green Thumb". Again, thank you Gertrude, for all the colourful displays.
