A NOTE FROM PETER LITTLEBOY:

Why were all those people outside my office last Thursday? Were they clapping for Maria, or Ruth, or me? Had Maria won a major prize for one of her many endeavours? (She did get 2nd prize in a pumpkin carving contest) Was Ruth having an anniversary or major promotion? It seemed to be a celebration for one of us.

Later I checked the seniority list and I did start working for VVI on 29 October and it was 25 years ago. Good grief! They have certainly been 25 rewarding years.

My thanks to all of you, particularly the cake bakers, and Malcolm who spends so much time studying the seniority list. I'm glad I work at KEC.

AT THE LIBRARY:

Noon hour film showings are back. Next week, on Monday and Tuesday, November 9th and 10th, at 12:00 noon, the library will be showing a locally produced video called: WOMEN AND CHILDREN ALONE IN A NEW LAND. This is a documentary which interviews immigrant women who are single mothers. These women talk about their personal situations, covering issues such as settling into a community, attitudes towards single parents, language barriers, etc. Everyone is invited to the screening. For this event only, bag lunches are permissible in the viewing room. The video is 27 minutes long. Instructors: if you would like to schedule a time to bring the whole class into the library to watch this video, please call Amanda, local 435 or Aphrodite, local 438, and we will try to schedule a special screening.

New Paperbacks:

We have just received a shipment of new paperbacks, many of which are Canadian authors. If you are looking for that book you've been meaning to read, come and browse the paperback racks.
