CLASSES AT KING EDWARD

I would like to publically thank and compliment all of the instructors who generously shared their classes with me this fall. Participating in classes has been the highlight of my introduction to King Edward Campus, and I look forward to attending more classes after Christmas and over the year. Without exception, I have been impressed with the quality of instruction and with the professional care given to our students. I was happy, but not surprised, to find that KEC instructors are unusually dedicated - to the point of conducting midnight field trips in the wind and cold to study littoral creatures at the lowest tide.

With best wishes for the season.

Patricia Groves

VACATION DAYS:

Please note that I will be on vacation next week from December 21 to 24.

The Dean of Instruction and Student Services, Dr. Patricia Groves, will be acting as Principal during my absence.
