## ACTING DIVISION CHAIRMAN APPOINTED FOR THE ADULT BASIC EDUCATION DIVISION:

I am pleased to announce the appointment of Mr. Ron Fussell as Acting Chairman of the ABE Division for the period from 1988 February 08 to 1988 June 30, thus completing the remainder of Mr. Pawelchak's term.

The sequence of events in this selection process was as follows:

1. I interviewed each of the Department Heads in ABE Division and encouraged them to express in writing their interest in the Acting Chairman's position.
2. Two written applications were received from within the Division, one Department Head and one instructor.
3. I interviewed one other possible candidate outside the Division.
4. On Monday, 1988 February 01, Dr. Patricia Groves and I discussed the matter first with the Division Chairmen, then with the Department Heads.

I know that Ron will do a good job and I wish him much success.

KING EDWARDIANS:

Many thanks to my friends and colleagues at the King Edward Campus for the good wishes and kind words given to me on the completion of my duties as Division Chairman, ABE.

My seven years as Division Chairman have gone by quickly. Many significant events occurred during those years; for instance, the planning and construction of the new campus, the "last trek" from 12th and Oak, ABE Articulation and the development and growth of International Education.

The highlight for me however, is last week's "party" given in my honour. It was well done and much appreciated. Thank you for the organization, cards and gifts.

I have enjoyed working with all of you and I thank you for your assistance and cooperation given over the years.

I am looking forward to my return to the classroom and a continued association with all of you at the King Edward Campus.

Gordon Pawelchak

**ABEABC AGM 10TH ANNIVERSARY**      **PLACE:** Capilano College, Sechelt  
**DATE:** March 10-12, 1988.

Ten years ago, King Edward Campus hosted one of the first conferences on Adult Basic Education sponsored by the Ministry of Education. It was during that conference that the Adult Basic Education Association of British Columbia was formed to provide a network for those people involved in, or interested in, the field of ABE. This was to be the first ABE Association in Canada and, as such, to be the model for provincial ABE Association across Canada. The ABE ABC will hold its tenth anniversary at Capilano College in Sechelt from March 10-12. Registration information is available from Cindy Onstad, local 475.

PLANTING OF COMMEMORATIVE TREE:

As many of you know, Allan Pletcher, a long time instructor in this department, died on December 26, 1988, of AIDS. We wish to honour Allan's memory by planting a commemorative tree on campus. The College has been very supportive of this idea and permission has been obtained to plant a white dogwood tree in the grassed area off Broadway.

If you wished to contribute to the costs of the tree and plaque, we would be most appreciative. Susan Pawlett, local 212, will be accepting donations. We will notify everyone when the date for the tree-planting ceremony is set.

Thank you.
