My thanks goes to all members of the faculty, staff and administration who participated in the activities of our first VCC Day. I think it was a good day and the contributions of employees from King Edward Campus helped to make it so.

The next meeting of the KEC Committee on Sexual Harassment will be held on Wednesday, May 4th, in Room 2145 from 3:00 to 4:30 p.m. The two general areas of discussion will be the development of a VCC policy on sexual harassment and the development of a programme to make our students at KEC more aware of avenues and procedures available to them to deal with any concerns they might have with regard to sexual harassment.

#### NORM DOOLEY - PRESIDENT OF THE COUNCIL OF SECOND LANGUAGES FOR 1988-1989:

Norm Dooley, Department Head of ESL-Vocational was last week elected President of the Council of Second Languages for 1988-1989. The Council is a national group, based in Ottawa, with representation from colleges and universities throughout Canada; its purpose is to promote abroad the offerings of the member institutions, and to act as a lobbying group at the federal level for support of the member institutions in their international education activities.

Norm Dooley has been representing VCC on the Council for over two years, and this election of a president coming from Western Canada, and from a college rather than a university, is a particularly eloquent tribute to him and to his abilities to give leadership in this important field.

Miriam Bennett

#### THE ASSESSMENT CENTRE:

The Assessment Centre will be closed from 1:30 p.m. to 2:30 p.m. on Friday, April 29 for a staff meeting.
