OPEN MEETING ON SEXUAL HARASSMENT POLICY

The KEC Working Committee on Sexual Harassment extends an open invitation to hear Barbara Blakely, who is SFU Chaplain, discuss the SFU's sexual harassment policy which was recently ratified by their senate. As well as being the SFU Chaplain, Barbara was chairperson of the committee which drafted their policy on sexual harassment.

Barbara will also be giving a workshop to the VCC Counsellors on counselling individuals who have been sexually harassed. One of the concerns of the committee was that the general discussions about the subject would encourage and bring out those who wanted to talk about personal experiences but would have no place to go. These individuals will now be able to talk to specially trained Counsellors.

TIME FOR THE POLICY DISCUSSION

1:00 - 2:30 Monday, June 13

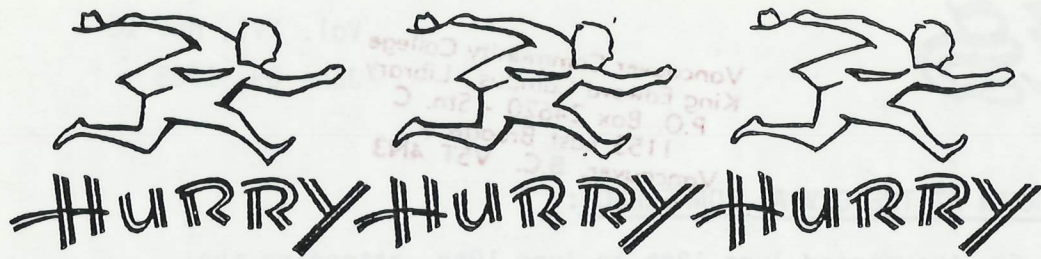

PLACE: ROOM 3016 COUNSELLING RESOURCE CENTRE

Please register with Angela Abbinante at local 208.

Miriam, has been a constant supporter of the VCC Educational Foundation and an early endorser of the lottery.

Thank you Miriam and CONGRATULATIONS!

Miriam will be doing the honors for this weeks draw this Friday at 9:30 a.m. in the KEC Administration Offices. Come and watch the fun.

FROM THE LIBRARY:

Readin' in the Rain

Now that the summer is almost upon us, your library staff is pleased to announce the new summer hours which will extend from 27 June to 3 September. These have been carefully planned to allow the staff an opportunity to determine if their umbrellas leak and are as follows:

Monday and Tuesday	8:30 to 5:00 p.m.
Wednesday and Thursday	8:30 to 8:30 p.m.
Friday	8:30 to 4:30 p.m.

Regular hours will resume immediately after Labour Day to coincide with the onset of glorious sunny weather.

If you find that books keep falling apart in this delightful summer humidity, here is a list - a very long list - of videos and films to show your students when you run out of reasons why the sun don't shine no more.

READING LISTS AVAILABLE AT THE KEC LIBRARY:

Chris Sallis from College Preparatory and I have put together two annotated fiction and non-fiction reading lists suitable for students in English 059 and 098/099. One list includes Canadian novels and non-fiction works only; the other contains titles published outside Canada.

Although we can't claim to have read all the titles, we have supplied either our own annotations or had assistance from published sources. Most of the titles are available in our library while others can easily be borrowed through interlibrary loan. We hope the lists will be useful for ESL students and anyone else wanting some information before making a reading selection.

We are keeping a master copy of this list at the information desk in the KEC Library with call numbers and locations. For further information or copies of the list, please contact me at 205 or 438.
