BULLETIN

DATE: August 16, 1988
TO: The College Community
FROM: Paul Gallagher
SUBJECT: ACTING PRINCIPAL LANGARA CAMPUS

Vancouver Community College
King Edward Campus - Library
P.O. Box 24620 - Stn. C
1155 East Broadway
Vancouver, B.C. V5T 4N4

As Dr. J.J. Denholm will soon be leaving Langara, I have appointed Dr. Lawrence Fast Acting Principal, Langara Campus, in addition to his present duties as Principal, King Edward Campus.

Dr. Fast's acting appointment will be for an indefinite period. It is not my intention to begin a search for a new full-time Principal, Langara Campus at this time, but to begin a process of examining our administrative structures to determine how we might best meet the needs of the community we serve before filling any administrative positions on a continuing basis.

We are able to proceed in this fashion because Dr. Fast served as Dean of Instruction, Arts & Sciences at Langara Campus prior to his appointment at King Edward. He is no stranger to Langara needs and resources. We also have a talented cadre of deans at the two campuses and I am confident they can meet the challenge to stretch during this interim period.

It is my intention to distribute later this week a paper outlining my thoughts on how the administrative structure of the college might best be shaped in the future. It is my hope that this paper will prompt response, discussion and other ideas on how we can best organize ourselves to meet the varied needs of our community.

While I do not foresee an administrative re-structuring directly affecting department heads, faculty or students, it is certainly my intention to involve our employee associations and administrators in the process of deliberation on these matters.

In the meantime, I hope everyone will render Dr. Fast and the deans at both Langara and King Edward every possible assistance during the interim in which Dr. Fast serves as Acting Principal of Langara Campus.
