PART-TIME POSITION AVAILABLE AS G.E.D. EXAM COORDINATOR

King Edward Campus serves as a centre for the writing of G.E.D. exams. These sessions are held 10 to 12 times per year, always on a Friday evening and Saturday.

Until recently, the coordinator of these exams was done by Keith Oberding who, I am sorry to say, has resigned.

The requirements for the position are a baccalaureate degree and preferably some related experience. The pay is \$150.00 for each Friday and Saturday session.

If you are interested in this position, please let me know in the next few days.

DUO OF DALE AND VI

In case you haven't heard, Dale Jones and Vi Bienert were auctioned off to a cartel of three. Two of the three are from V.V.I. The third is myself. The agreement we have is to share the available time so that we have 40 minutes each.

I am inviting your assistance to come up with a suitable task for Dale and Vi. As with the rules of the auction, the ideas should be in reasonably good taste. I am willing to consider all suggestions.

Please send in your ideas now. You may use the suggestion box on the Union Bulletin board in the cafeteria.

II. Priorities

- ... to redistribute 88/89 FTE levels to absorb program shifts in the BCIT and pursue objectives of Educational Plan 1988-93.
- ... to emphasize qualitative improvements rather than expansion.

III. Rationale for our Plans and Priorities:

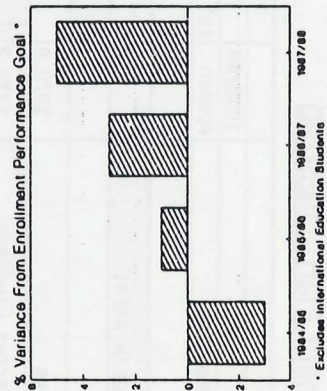

1 We taught more students, in 1987/88, than we were funded to teach...

Actual FTE as a % of Funded FTE

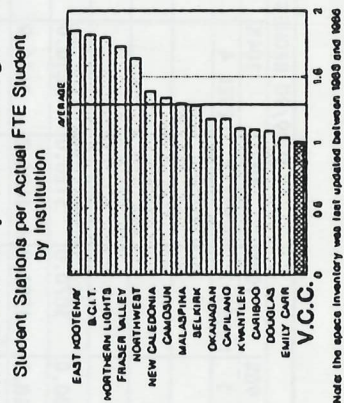

* Excludes International Education Students

2 ...and our enrollment performance has continued to improve:

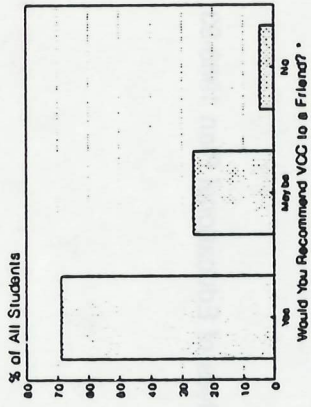

3 We have less space to accommodate students than any other college or inst...

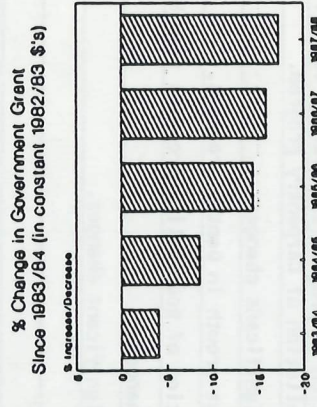

Note the space inventory was last updated between 1985 and 1986

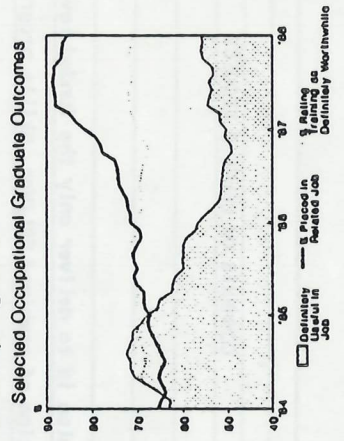

4 ...and we are short of space, in part, because our students are speaking highly of us:

5 But reductions in funding have occurred...

6 ...and have affected the currency of our programs.
