TURKEY DINNER AND DANCE A SUCCESS

About 200 people, International students and others from different departments, enjoyed the Christmas Dinner and Dance held at the KEC Cafeteria on Friday, December 16.

The Christmas Carolers from the KEC Music Department started the evening with some traditional Christmas songs. Afterwards, Patricia Groves introduced Paul Gallagher who welcomed the guests. The buffet-style Christmas dinner put on by Nora Hall and the Domco Staff that followed was not only a feast for the eyes, and many people went back for seconds. "Santa" Ted Anderson and his little helpers put on a great show, giving out door prizes. After Santa's departure back to the North Pole, a disc jockey took over and the crowd rocked and rolled away till midnight.

Thanks to all the people who made this party such a great event: to Valerie Peters, David Miller, and Mary Jane Nehring and Christine Peterson, the core organizers; to International Education and the Student Advisory Committee for their financial support and to all the students and other people who sold tickets and helped with the decorating and the clean-up.

Let us do it again next year!

The VCC Educational Foundation strikes again with yet another fund raising campaign.

This time King Edward Campus is the winner. The VCC Scholarships for Music Campaign will kick off early in 1989. Our leadership for this campaign comes from music lovers in the community committed to helping students.

What is the Music Department?

It is a rapidly growing program that provides talented, dedicated young musicians with the opportunity to make music their career, at a cost that is reasonable, with results that are real and immediate.

The quality is there, the programs are in place, but we need your help!
