CAMPUS ENVIRONMENT COMMITTEE MEMBER NEEDED

We are now gathering information about the manner in which we could best study various aspects of our campus environment.

I would welcome from faculty, staff and students an indication whether you would be interested in serving on a small committee to advise on such a study.

Please leave me a note by February 01 if you are interested.

IN MEMORIAM

After a lengthy illness, Bob Hole passed away Tuesday, January 24 in the Vancouver General Hospital. Bob was a long time instructor in the ESL Division and is especially remembered for his contribution in Testing and Assessments. On a more personal note, everyone who worked with him can recall an example of his dry wit. We are all saddened by his death.

The funeral mass will be at Holy Rosary Cathedral on Friday, January 27 at 10:00 a.m. It was Bob's request that donations be made to a charitable organization in lieu of sending flowers. If anyone would like to be included in the ELS donation, contributions can be left with Sherie Kaplan or Susan Pawlett.

TO ALL COLLEGE COMMUNITY: PERSONNEL DEPARTMENT RE-ORGANIZATION

This is to advise you that a complete re-organization of our Personnel Department has been undertaken resulting in a number of changes, including the name of the department, which will now be known as the Employee Relations Department.

Under the leadership of Director of Employee Relations Dale Jones, and with the addition of a new Labour Relations Officer soon to be announced, the following are the major areas of responsibility of the Employee Relations staff as of 1989 February 01:

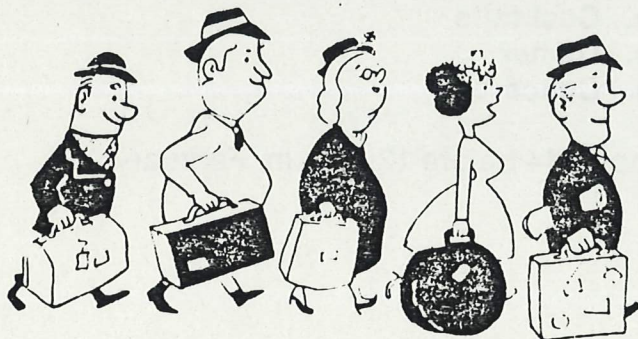

The Labour Relations Officer will assist the Director in the conduct of collective bargaining, the administration and interpretation of collective agreements and the resolution of grievances. An ongoing responsibility for job evaluation and re-classification matters, along with the Labour Relations Assistant, is an immediate responsibility.

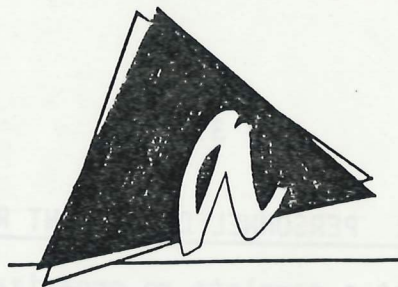

I am particularly pleased that Personnel Officer Vi Bienert will be assuming responsibility for our Human Resource Development function. In addition, Vi will continue to have specialized involvement in confidential employee counselling, orientation and the administration of the support staff performance appraisal system.

Labour Relations Assistant Sharon McClure will retain responsibility as Chairman, Health and Safety, and, along with Personnel Clerk Joanne Tickell, will continue to provide reliable service in the instructional appointment process. Along with the new Labour Relations Officer, the ever-demanding responsibility for job evaluation/re-classification will remain one of the key duties of the Labour Relations Assistant.

Bonnie Baty has assumed the position of Personnel Assistant and, along with it, the responsibility for the support staff appointment process with the able assistance of Eugenie Wong in the role of Confidential Secretary. Bonnie will be responsible for employee benefits administration and will provide administrative assistance to the Director of Employee Relations.

DOMCO FOODSERVICES' VALENTINE DAY CELEBRATION

BE MY VALENTINE

Spring is definitely just around the corner. The January Blues are rapidly subsiding as we begin to enjoy sunny skies, warmer weather, and, of course, that deeper feeling of human love.

Statistics have proven that spring has a very unique effect on human emotions. We begin to see the opposite sex in perhaps a little different light - or as Thumper said in "Bambi" - we being "twitterpating" and so, many say, is the reason for the appropriate placement of February's celebration: Valentine's Day.

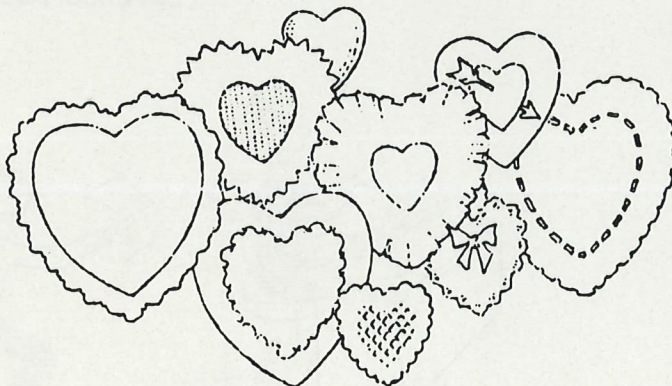

To keep in tune with this atmosphere, Domco Foodservices will celebrate this joyous time with both staff and students by introducing our second "Caring Spirit Event - Valentine's Day Sweets: Be My Valentine". On February 14, 1989, Domco Foodservices will be giving away THREE Dinner for Two Keg gift certificates valued at \$25.00 each. HOW CAN ONE WIN?

On Tuesday, February 14, 1989, all staff, faculty, administration or students eating in the cafeteria at breakfast, lunch or dinner will receive a ticket stub on which they will place their name and phone number. All ticket stubs will then be placed in the draw box supplied. On Tuesday evening following the dinner crowd, the draw will be made. Two Dinner for 2 will be given out to the students and one Dinner for 2 will be drawn from a separate staff draw box. It's that simple!

Because Valentine's Day is only a few weeks away, I need your help in making this event a success. As you know January's promotion ends on January 30, 1989, which doesn't give us much time to advertise February's celebration. If you could inform your students of this upcoming event NOW and to ask them to watch for it, the event will be an almost guaranteed success.

I appreciate your support and cooperation. Thank you.

Melissa Phillips
