## FAREWELL TO FRIENDS AT KEC:

Counselling students is a great joy! I am very thankful for the seventeen years I have spent counselling students at KEC. Thanks to the department for the lovely salad dishes. Thanks for the many friendships among faculty and staff. What am I going to do? Mostly what I have been doing. A Senator at Regent College, U.B.C. - also an Advisor to students there. I'm on the board of Covenant Community, also on the board of the B.C. Council for the Family; to name a few.

The summer will be spent with the grandchildren at our cottage in Pt. Roberts; Andrew (15), James (12), Alexandra (5) and Nicholas (3). Ross will be teaching sailing skills to the older children. Twice yearly we will visit Chanel (2) and Troy (6 months) in Montreal. Ross and I have no thoughts of "Retirement" as we see so many needs in the world around us, and meeting the needs that we can meet is a great joy to us. I will still sponsor the Chaplain at KEC.

Ever in Coquitlam? --- drop in at 1855 Walnut Crescent (Laurentian Heights). We make and serve an excellent cup of tea and you are welcome.

Agnes Manthorpe

"... and so we present this award to Mr. Hardy for his faithful service as study-hall monitor for the entire school year."

# HUMAN RESOURCE DEVELOPMENT UPDATE

HRD has been busy updating wait lists for the various programs, arranging for space, laboratory time, instructors and dates. Requests for courses are still arriving in our office. As of today's date, we have had a total of 773 requests. Listed below are the workshops that have been scheduled for the April 1st to June 30, 1989 period. If you have not heard from HRD as to the status of your request, please be assured that you have not been forgotten. Because the response has been so great, it is impossible to accommodate all of you right away. More training will be offered as lab space, instructors, etc. can be arranged and budget permitting.
