Vol. XVIII, No 54  
1989, April 27

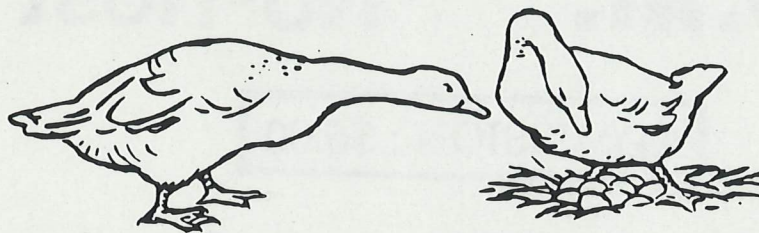

## THANK YOU!

It was wonderful, emotional and fun. Thanks to all of you for making my Farewell Party a memorable experience.

If my future co-workers are half as warm, friendly and dedicated, as the staff of KEC, I will consider myself very fortunate.

Heartfelt thanks for the party, the gift, and for the past eleven years.

MUSIC DEPARTMENT TRIVIA NIGHT:  
A CHALLENGE

This particular night is without a doubt, one of the most enjoyable times that you will spend on or off campus. The trivia questions are so easy that even the people on the 5th FLOOR can answer them.

The 'Reigning Trivia Night Champions' hereby challenge the 'Penthouse Couch Potatoes' to get a team together and partake in the frivolities.

## KING EDWARD KAMPUS KONQUERS KWANTLEN KOLLEGE!

The Time..... Saturday April 21st 1989.....7:30 a.m.  
The Place.... Kwantlen College - Newton Technology Centre - Surrey  
The Event.... Fifth Annual Technolympics contest  
The Team .... Diane "Whose idea was this?" Merasty  
Tony "Mutart Ninja" Calla  
Akos "Resistor-man" Sandor  
Kerry "More coffee" Hetherington  
Gerald "Hacker" Redman  
Mary-Anne "Radish-Power" Wise.

Imagine the scene.....after writing final exams until 10 p.m. on Friday and celebrating the end of term in traditional fashion at sundry hostelries, our intrepid team gathers at the crack of dawn. (Corner of Glen and Broadway, actually). The day's contest includes an egg-drop, boal-race, home-made 60 second timer, black box, robotics, computer assisted drafting, biology quiz, surveying, code-breaking, computer programming, and a pre-build crane....50 grams of balsa wood supports 7.6 kg!

Fifty-five teams from around the province competing, and, while we didn't win, we didn't come in last either!

### WELL DONE TEAM!

Let's hear it for the King Edward Keeners!
