## 'Computer-Based Learning in the Humanities'

or

"Why depend on a MOUSE

When a teacher can do better?"

This was the theme of a workshop presented at the Professional Development Day (April 25, 1989) of the Langara Faculty Association.

The presenters, Walter Behnke and Marie Burlinson, used this opportunity to demonstrate CBE software developed by their project team at VCC - King Edward Campus. The CBE course being developed is called: 'The Workings of Markets'. The content area of this computer-based course is the traditional Introductory Economics of Sr. High, College, First Year. With a high level of interaction (involving graphing, completing tables of figures, text entry, different objective question types, and short paragraph responses) students gain competency in the application of basic economic concepts introduced under the usual topics favored by economists: scarcity, opportunity cost, production possibility curves, specialization and trade, demand and supply.

Built into the visually pleasing and graphically illustrated program are several on-line, function-key branching functions to give learners constant access to overall program control, glossary of terms, and a note editor. Comments or short paragraph answers can be appended to a course administrator file. Comprehensive testing and course administration functions are also built into the software.

Message left by a workshop participant:

"This is a cool program."

The Langara workshop provided a good mix of hands-on demonstration and exploration of CBE issues. Participants discussed issues of integration of CBE into existing traditional class settings, pros and cons of various aspects of CBE, funding and development of CBE software.

Development of 'The Working of Markets' continues at VCC-KEC and should be completed at the end of August 1989. More information and demo disks will be made available later. In the meantime, direct inquiries to:

### MAILING PAY CHEQUES

Please note that we are no longer permitted to mail Instructors' pay cheques. If it is not possible for Instructors to have an automatic bank deposit, and if they have no mailbox on campus, they should be prepared to pick up their cheque from their Department Head. It would be most helpful if we could be provided with names of those Instructors who wish to receive their pay cheque in this manner, along with a note clearly identifying the Instructor's department.

### A REMINDER FROM THE CURRICULUM DEVELOPMENT COMMITTEE

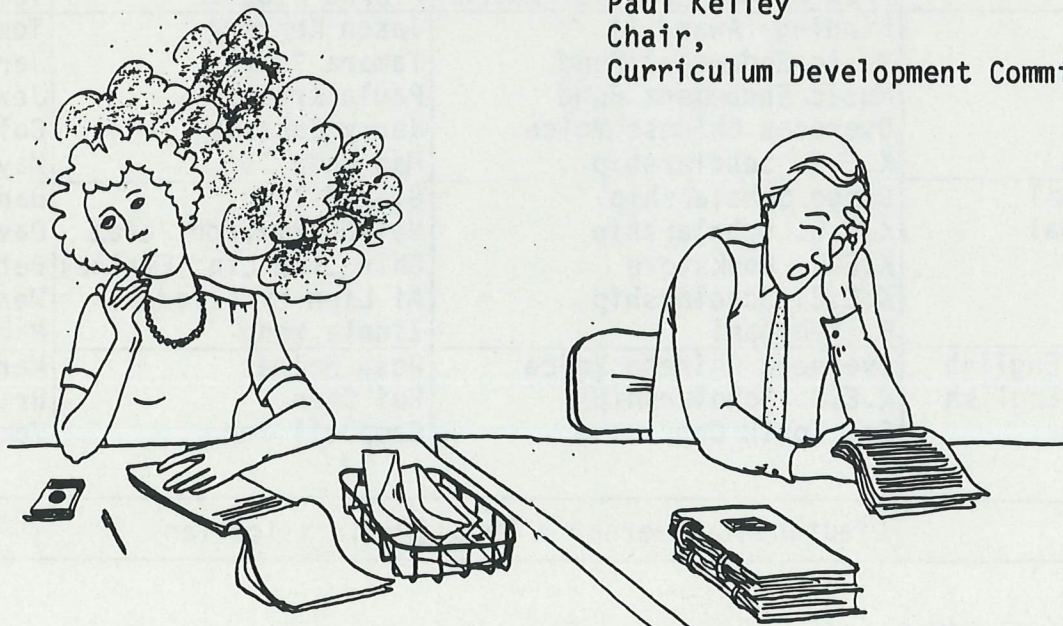

Please remember that the next deadline for the submission of Curriculum Development Project Proposal Applications is Tuesday, 23 May, 1989 and which will be completed no later than 31 March, 1990.

Please bear in mind that because this will be the second of two adjudications this year, the amount of funding available cannot exceed half the total budget, or approximately \$40,000.

Samples of completed Project Proposal Application Forms and copies of the Curriculum Development Policy and Procedures are located in the Reserve area behind the Circulation Desk in the Library. All applicants are urged to familiarize themselves with the Policy and Procedures prior to making submission.

Completed applications should be left in the Curriculum Development Committee's mailbox, located with the Faculty and Staff mailboxes on the Fourth Floor.

### IT'S NOT LEGAL!

Some instructors are inadvertently signing Canada Student Loan Documents. Such signatures are invalid and could cause anything from a delay in students getting their funding to involvement in a legal action in the case of fraud. If you receive a request from a student to sign such documents, please refer them to Winnie Cheung, our Financial Aid Advisor.

### INFORMATION FOR INSTRUCTORS

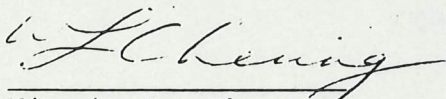

" Students with unmet financial need are invited to apply for our internal bursaries established through private donations. For details, please refer to the attached information sheet entitled KEC Bursaries.

To enable off-campus and evening students to return their bursary applications in person at a time convenient to them, the Financial Aid Office will be open particularly for this purpose at the following times:

Wednesday, May 17	-	3:30 pm - 4:30 pm
Thursday, May 18	-	5:30 pm - 7:00 pm.

Please let your students know about these arrangements.

Thank you."

## K.E.C. BURSARIES

Supplementary financial assistance is provided to deserving KEC students by the King Edward Campus Bursary Fund established through private donations. In recent years bursaries have been provided by the following donors:

BC Tel Co.  
Credit Union Foundation of B.C.  
Doug Brown Memorial Trust Fund  
Italian Cultural Centre  
KEC Student Advisory Committee  
KEC Student Aid Fund  
Simons Foundation  
Student Society Emergency Aid Fund  
VCC Student Aid Fund

### How much are the bursaries? What are they for?

The value of each bursary ranges from \$30 to \$250, depending on the availability of funds and number of applicants. Students may use their bursary money to meet their unmet financial need, e.g. to pay for their books or busfare.

### Who can apply?

Part-time and full-time KEC students who:

- (1) can demonstrate financial need after they have exhausted all other avenues of financial assistance; and
- (2) are attending classes regularly and progressing satisfactorily in their courses of study.

### When and how can I apply?

Bursary applications are available at both the Financial Aid Office and the Counselling Career Centre in January, May and September. Completed applications should be returned to the Financial Aid Office. The deadline is THE LAST DAY OF JANUARY, MAY AND SEPTEMBER. The results will be given out one month after the deadline.

### VANCOUVER INTERNATIONAL MARATHON

The above 'fun run' will commence at 7 a.m., Sunday, 7 May, 1989.

The mighty K.E.C. will once again be represented by Student Services, with one wily veteran and one reluctant novice lining up for the starter's gun.

They will be wearing their K.E.C. shirts, so give them a wave and cheer (and a cold Blue!), if you are caught in the traffic downtown on Sunday morning (on your way home from the Music Dept's Trivia Night!).

It is unfortunate that their coach, Charlie Francis and physician, Jamie Astaphan have been absent of late, but substitutes Jack Daniels and Johnny Walker have proven to be worthwhile substitutes.
