NEW WORKSHOP SERIES

Introduction to College Studies: Becoming a Master Student will be offered for the first time this fall. The intended outcome: students who demonstrate increased responsibility, eagerness to learn and participate, skill in getting their needs met at the college and likelihood of staying to take more courses.

The "Master Student" workshops have been incubating for two years, with the assistance of a Ministry grant and many discussions with colleagues at conferences, workshops and meetings. The workshops represent a part of what seems to be a movement across North America toward general education addressing college success through a combination of life skills and study skills.

The workshop series is being offered free, as follows:

Master Student I (12 sessions):

M and W: 12:30 - 2:20	Room 3288	September 11 - October 23
M and W: 8:30 - 10:20	Room 3244	October 25- December 06

Master Student II (10 sessions):

M and W: 12:30 - 2:20	Room 3288	October 30 - December 04
-----------------------	-----------	--------------------------

(MS I is a prerequisite for MS II)

Please tell your students!! For more information, contact me.
