THANK YOU

Because of your generosity, the Plant and Bake Sale for the United Way realized a \$310.55 profit. The event was highly successful. It is not possible to thank each of you personally, so this is a blanket thank you to all who contributed, who bought and/or who donated their time.

SPORTS BULLETIN

We have received an anonymous tip that there are problems within the ranks of Decle's Dirty Dozen. Unconfirmed reports indicate that contract negotiations have broken down with some players, and that they have become free agents. One rumour currently circulating has Terry (Matt Dunnigan) Smith signing with the Steelers for what could amount to double the salary (with bonuses). At press time Decle was not available for comment. He was last seen talking to one Murray Pezim in search of further financial backing in order to avoid mass defections.

NOTICE OF FIVE WORKING DAYS FOR ALL INTERNAL FOOD FUNCTIONS

The Culinary Arts Department is pleased to accommodate you with all food requests which you will have in the future.

To assure you of continuous good service, I would like to ask that you kindly plan your meetings where food is required, in such a way that you give us at least five working day's notice of your upcoming function. Our student training schedule requires this time period.

This is not a new policy, but since we always have some new employee joining V.V.I, I thought it would be necessary to inform everyone.

I would also like to add that in the week that a new class has intake, there will be no catering orders accepted. This is also not a new policy.

Here are the dates where we will have no inside catering.

October 23 - 27, 1989

January 2 - 5, 1990

February 26 - March 2, 1990

Thank you for your support and understanding regarding this matter.

"I probably won't be asked to be the first brain donor."

The United Way race is off and running again at the King Ed raceway. Fastest out of the gate is Continuing Education, with 20% participation. (They were the first group to declare their area non-smoking. Does that make their steed run faster?) They are closely followed by Central Administration, with 15% participation. The dark-horse entry, known to be a strong finisher, is KEC, gaining speed at 6% participation.

To keep everything running smoothly, would EVERYONE (regardless of where you work) please hand in their pledge cards to Anne Lim, our payroll clerk on the FOURTH floor. Please do not send them to the busy payroll ladies on the FIFTH floor. (They really appreciate your cooperation.) If you've mislaid your pledge card under your mound of paperwork, you can pick up another from Doreen Sharan, beside the switchboard on the FOURTH floor.

The United Way Committee thanks you for your support, hopes you have enjoyed the fun/fundraising events of FUN WEEK, and invites you to participate in the final event. Come out and enjoy exciting football as the league leading SECURITY STEELERS challenge current champion DIRTY DOZEN in the tie-breaker of the third annual KING ED CHALLENGE CUP. Friday, October 20, 2:30 p.m. at China Creek Park (the running track northwest of the Campus). Windup festivities in the cafeteria after the game, until 7:00 p.m. Presentations about 5:30 p.m. The winning team gets the trophy. The "just wait till next year -- we'll be back!!!" team gets a consolation prize which lets them carry the trophy around in their hearts all year.
