THE V.V.I. DINING ROOM

A name has been chosen for the new V.V.I. Dining Room! In honour of his sixteen years as Department Head of the Food Trades Department and his history of dedication to the V.V.I., the Dining Room is in turn to be dedicated to Mr. J.J. Nowacki who passed away earlier this year.

Mr. Nowacki's first name was Jozef but to us he was known as Jim, and he signed himself as J.J. Nowacki, thus the Dining Room will now be known as J.J.'s. The following artist's rendition of Mr. Nowacki's signature will be the official logo for the restaurant.

LIBRARY FILMS January 19 (12:15 in the Library Screening Room)

BOLERO (27 minutes)

With lighting and camera work as dramatic as the music, this film heightens the appreciation for Ravel's symphony. Brief comments from soloists, concertmaster, and conductor Zubin Mehta give insight into the subtle touches that make a great performance by the Los Angeles Philharmonic.

IT'S A HOBBY FOR HARVEY (9 minutes)

This short film takes a look at the talents of Winnipeg lawyer Harvey Pollock, who was the first World Whistling Champion and is still regarded as the master of classical whistling. A light and entertaining glimpse at one example of human diversity.
