LANGUAGE EXCHANGE CONTINUES

<u>KEC</u> would like to welcome Francophone students from Quebec who are on campus this term. For the third consecutive year VCC and College de Jonquiere have exchanged students for a term to provide language and cultural immersion.

Last Fall 17 students from Langara spent September-December in Jonquiere, 200 miles north of Quebec City, and earlier this month 18 students from Jonquiere arrived here. While at VCC through April they will be involved in full-time language classes in the ELS department, as well as physical education courses at Langara.

If you would like to give the Jonquiere students a chance to meet your students and, perhaps, provide some of the Quebec perspective to the discussions on Canada and its peoples, please contact me and I will be happy to help make the arrangements.
