Please note that the **Visually Impaired** Department will be closed to August 24.

NOTE FROM THE EDITOR

We would like to solicit your suggestions to enliven our local publication, for those of us who are around for the summer months. How about your favorite recipe for a summer picnic or barbecue? A favourite day trip from Vancouver? Ideas for preserving our environment? We hope to hear from you.

IEPA AND SUMMER 90

Unfortunately, the IEPA will be in hibernation during the summer months (calendar wise, not weather wise) of July and August. As of the first Tuesday in September 1990, Anne Parsons will be joining the IEPA and will be assuming the responsibilities that previously rested on Nancy Barr's shoulders. If instructors have a referral for September, please obtain a referral sheet from your department representative so that you can pass the completed sheet to your rep as soon as possible.

Have a great summer and we look forward to serving the students again in September 1990.

SUMMER MUSIC

To all Student Services Support Staff who did not receive their copy of the Soundwave '89 tape. We have not forgotten about you! Regular inquiries have been made as to the whereabouts of your tapes. If they have not arrived before the new Soundwave '90 tapes are released, we will provide you with one of the new tapes. Thank you for your patience.

COLLEGE ENHANCEMENT PROJECT

Two architecture students, Geoffrey Hull and Duane Elvereem, Professors Bud Wood and Moira Quale and I have been working together to gather faculty, student and staff input and ideas on our campus environment.

You are invited to come to the presentation of Geoffrey's and Duane's preliminary report about our campus at the UBC School of Architecture Design Studio (1241 Cartwright Street) on Granville Island on Thursday, July 05, 1990 at 3:00 p.m.

We are looking forward to continuous communication about how we can improve the architectural and environmental quality of our campus.

After this preliminary report the two graduate architecture students will work on design proposals under the tutelage of three professors with the purpose of enhancing the quality of our college working experience. Their results will be forthcoming at the end of August. Your interest is welcome!

Please contact me or any of the following people with your input and interest in this summer project:

DISCONNECTED

Due to renovations, local 476 (Anne McElroy) and local 582 (Nilda Panganiban) in the Business and Computer Studies Department will be disconnected for the month of July. The locals will be reinstated in August. In the meantime, please direct calls for the above people to local 449. Thank you.

CORRECTION

This will correct the mistaken impression that last week's announcement of my holiday/teaching plans may have left:

I hereby forswear any pretensions to godlike omnipresence and promise to be in only one place at any one time. So my schedule will be: July 03 to July 31 - Vacation; August 01 to August 31 - Full-time Teaching
