REMINDER OF LIBRARY CLOSURE

Please note that the Library will be closed from July 30 to August 8. During that time, all Library staff will be involved in the next phase of our automation project. Over 40,000 bar code labels will be affixed to the materials in our collection.

There will be no film/video bookings taken during the closure period. Any films or videos already booked for that time can be picked up and returned at IMS. If you are presently considering a booking for that time, please contact Nancy Espinoza before July 27. IMS hours are:

Monday - Thursday	8:00 a.m. - 4:30 p.m.
Friday	8:00 a.m. - 4:00 p.m.

Library staff at all VCC campuses are heavily involved in the automation project and we apologize for any inconvenience caused by the resultant reduction in service. Once the system is fully operational, using our Library will become more efficient and significantly more enjoyable.

TAKE CARE!

The latest research show that baking in the sun may be one of the most dangerous things you can do. Medical experts agree that ultraviolet (UV) rays from the sun are the major cause of skin cancer.
