A REMINDER...

In view of the frequent breakdowns and quality deterioration of our 4th Floor Administration photocopier, the Xerox technicians have advised us that the copier, which is only a few years old, is quickly reaching the end of its usefulness due to the excessive amounts of copies being made on it (for example, in the last two weeks alone 20,000 copies have been made on the machine.) This has caused problems such as overheating of various machinery parts, extensive paper jams and paper tears. The copier has been overhauled at least twice in the month of November alone. Please help us maintain the copier in good working condition by sending large duplications to our Duplicating Department. Remember that the Administration Staff have priority over the use of this machine so you might be asked to give way to them. Your cooperation is appreciated. Thank you.

INTRODUCING THE WINE AND BEER MAKING CLUB

A number of faculty and staff are actively engaged in the fermentation process. Affiliation in this august body is a real "must". The ingredients for this collegial brew would include experienced, novice and yet to become wine and beer making aficionados. Some of the more vintage members of the group can loan basic equipment to those wishing to sample the hobby prior to getting up to their knees in the creative juices. The inaugural meeting and wine/beer tasting will take place on Wednesday, December 05, at 4:30 p.m. in Room 4043.

Cheers!

CHRISTMAS AT KING EDWARD

We all know about the traditional Victorian Christmas, but why can't we establish our own traditional Edwardian Christmas?

This would seem to be the year we all need to get together in the Christmas spirit. An ad hoc group met last week and came up with some ideas as follows:

So far, our schedule shows that the annual Christmas Tree Celebration will take place on December 5th, but this year it was suggested that a second Celebration, which night school students could also attend, would be appreciated. We are therefore planning an evening "Candlelight Celebration" for December 6th to which everyone is invited. We hope this year to have a live tree, which we will use annually in keeping with the general concern for the environment.

You are probably aware of the terrific musical talent we have among the faculty. Jean MacLeod, one of these talented people will be forming a group of carollers who will begin their rounds of the departments on December 11th. Watch for them!

With the guidance of, and considerable assistance from the Music Department we are planning a short but very special Christmas concert on December 20th which will lead into the Campus party. This year we would like to see children at that party because Santa will be there. So please help out! Partners and children will be welcomed, and invitations will be issued later.

We are hoping to work together in harmony during this wonderful season and end our year on a note of peace.

ATTENTION ALL DEPARTMENT HEADS

Some of you have had your creative consciousness raised - this might be your opportunity to be really creative. Someone (a department head!) suggested that departments exchange gifts (if purchased, the limit should be \$10) this year. Department names will be put into a draw to take place at the Christmas Tree Celebration on December 5th. At that time each department will know for which department they should buy a gift. Gifts will be given out and received by the department heads at the party on December 20th.

Unless we hear from you that your department prefers not to participate we will include you in the draw.

Secrecy is suggested.

AN INTERNATIONAL CHRISTMAS

If you are starting to make arrangements for Christmas and would like to try something different this year, then how about inviting a visiting International student to have Christmas dinner with you?

If you would like to share Christmas dinner or some other festive occasion with someone who is a long way from home and who would treasure the experience, please contact Cecily May at local 778 or East Wing Room 3128.

VICTORIA TRIP

Would you like to see Victoria and Butchart Gardens at Christmas time? Students, staff, faculty, friends, and relatives are all invited to come along on Friday, December 21.

Adults	\$34
13-17 years	\$21
5-12 years	\$15
0-4 years	free

Contact Cecily May at local 778 or East Wing Room 3128.

GREY CUP DRIVERS

Several VCC people are helping out the local Grey Cup Committee by driving vehicles in this Saturday's Grey Cup Parade. Either on TV or along the parade route, look for Malcolm Cant, Ross McPherson, Sar Mann, Wayne Matthewson, and Grant Kelly at the wheels of those spiffy new GM convertibles and pick-ups trucks. Give them a wave! Have a good Grey Cup weekend!

BOYS' LIFE is a bitingly funny series of vignettes which look at the misadventures of three alienated urban studs and the women they pursue. Jack, Phil and Don are former college buddies whose friendship hinges on swapping tales of sexual conquests. In this contemporary comedy of manners Howard Korder portrays a world full of angst and purposelessness with wry tone and sharp style.

Howard Korder has written several plays including **FUN, NOBODY, THE MIDDLE KINGDOM** and **LIP SERVICE** which was produced by HBO Showcase. **BOYS' LIFE** was nominated for a Pulitzer Prize in 1988. Mr. Korder resides in New York City.

This is Robin Nichol's debut as director for STUDIO 58. Ms. Nichol received an M.F.A in directing from UBC in 1989 and while there directed **CRIMES OF THE HEART** and **ZASTROZZI**. She has since directed **CHEW THE BLADE** and **THE RIVER LADY** for the New Play Centre and **TREATMENT** for the Vancouver and Edmonton Fringe Festivals.
