## UPDATE FROM THE PRINCIPAL

During the past two weeks I have attended a series of meetings with employees at City Centre to gather information for the reorganization of City Centre and KEC.

There have been many questions about the next steps in the process. The two Vice-Principals have assumed responsibility for the day-to-day operation of the campuses and for now, the Division Chairs will report to the Vice-Principal at each campus. The Acting President will shortly appoint, from existing staff, a Director of Financial Services and a Director of Administrative Services for both campuses. There will be meetings of the two Vice-Principals, of Division Chairs from both campuses and of Student Services from both campuses to discuss ideas on the proposed formation of two project committees, one for Student Services and one for Instruction. I welcome your suggestions as to how such project committees could be best formed and how they could encourage participation in the reorganization process. When formed, each representative group will prepare an action plan.

Both campuses have now submitted their proposed budget to the Director of Strategic Planning. I thank you all for your cooperation in preparing these. The next step will be to assemble the proposed budget for the College.

Most of you know that we will be changing our Security contract on May 1, switching from Metropol Security Services to Burns Security. I want to say a special thank you to the gentlemen from Metropol who have served us so well. It is possible that some of the same gentlemen who have served us so well may also be serving with the new Security company. Some of you have expressed apprehension about yet another change in our operation. I would appreciate your cooperation and patience as our new Security people become familiar with the campus. If you have special concerns about security, please let me know.

I know it is extremely stressful for you who are involved, or otherwise affected by the proposed reductions in the ESL Division. I thank you for your patience and professionalism in this period of uncertainty. We are moving as quickly as we can. The seniority list is now complete and will be circulated as soon as possible. After that we will consult on the process with representatives of the VIA.

## THEY FAITHFULLY SERVED KING EDWARD'S COURT

Do you remember watching the waves come closer and closer to your sandcastle, until finally....it happened? There are some things in life that you just do not want to happen...., but they do. At the end of this month King Edward's present security staff completes its contract tenure.

To Sar, Darcy, Keith, Levi, Trevor & Russ, we at King Edward Campus would like to say thank you.

Beyond-the-call-of-duty was most certainly your trademark

- getting liquor licences for campus functions
- running pools for charitable causes
- distributing meal vouchers to the needy
- quietly making the campus off-limits to some less-than-desirable citizens
- the infamous Security Steelers to name just a few.

Your replacements will march to a different beat, but your shoes will certainly be hard to fill.

....to fellow faculty, staff and administrators, please stop by the Security office with a word of appreciation. Do so before the waves come in.

**COMMUNITY COLLEGE  
EXCHANGE PROGRAM**

PRELIMINARY INTEREST IN 1992-93

A world of opportunity is now available through the Community College Exchange Program at colleges, universities, education associations and federal agencies throughout the United States, its territories, Canada and Australia.

How long have you been teaching the same courses or serving on the same committees? Is the routine of your academic life getting to you? Few professions are as demanding as those in higher education, and most of us reach a point in our careers when we feel bogged down by routine, need an opportunity to interact with different colleagues, or just want to experience a different setting. Perhaps, it's time for a change or an **EXCHANGE**.

Community College Exchange Program (Cont'd)

The Community College Exchange Program (CCEP) provides **STAFF, FACULTY AND ADMINISTRATORS** with the opportunity of working at one of over 300 colleges in the United States and Canada while remaining on the payroll of their home institution.

If you are interested in the possibility of participation in the Community College Exchange Program for all or part of 1992-93, please obtain a Preliminary Interest Form from Saroj Kumar, Local 742, Fourth Floor Administration. Complete and return it by **May 15** to your CCEP Coordinator, who, in turn will forward it to the CCEP Central Office. Refer to the available "areas of interest" and institutional membership lists in completing your preliminary interest form. These are also available from Saroj Kumar. You are asked to type or legibly print the information requested on the form. Also note that you are only declaring an interest in an exchange, not making a final commitment to apply or participate.

After all preliminary interest forms are submitted to the CCEP Central Office, they will compile a list which will be sent to your CCEP Coordinator.

**PLEASE RETURNED COMPLETED FORMS TO:**

**DALE D. JONES  
CCEP COORDINATOR  
EMPLOYEE RELATIONS**

**INCOME TAX ASSISTANCE**

Minh Trinh, who is experienced in the preparation of income tax, is willing to assist KEC students in preparing their tax returns. Even if students have no income, they will be entitled to a \$140 rebate if they file an income tax form. There will be a reasonable charge for Minh's work, dependent on time involved, and the money collected will be donated to the KEC bursary fund. Please inform your students of this opportunity to receive help with their income tax. He is also willing to help instructors and KEC staff with their taxes. Please have students contact Minh directly at the SAC Office from 5:00 p.m. to 8:30 p.m, Monday and Wednesday, and Friday from 4:00 p.m. to 7:30 p.m. until April 30, 1991.

**MESSAGE TO STUDENTS**

Due to the number of enquiries about the rise of the students fees I would like to give a brief explanation of how the money is spent. A large portion of that money goes back to you, the students, in the form of bursaries. Over 20 thousand dollars are allocated every year for the bursary fund. These funds are matched by the Provincial Government. **NO OTHER STUDENT ASSOCIATION or UNION** comes close to the level of participation that S.A.C. does. Also, money is donated to the Food Bank, United Way, etc. A lot of students benefit directly from these agencies so the S.A.C. gives money or holds charitable events for these agencies. Your Student Association (S.A.C.) also creates awards for students i.e. Student Leadership Award, Single Mother award, etc. Three to four hundred dollars a month is spent on the Emergency Meal Ticket Program. Your S.A.C. is committed to informing students about what is taking place on this campus. This information campaign (long

Message to Students (Cont'd)

overdue) will cost money. This is one reason for the increase. I would like to point out that the S.A.C. has the LOWEST STUDENT FEES of any college in the G.V.R.D. At this moment your S.A.C. has NO PAID EMPLOYEES. Instead of paying employees, money is given back to the students. Students work under the Work Study program. This money comes from the Provincial Government.

I would also like to take this opportunity to speak to the students and faculty about Student Participation in their (your) S.A.C.

In order to have a strong Student Association the students (you) must participate. If you don't, then there will be NO CHANGE IN OUR SITUATION. There are numerous committees that can be our vehicle for change and protest. We must use them to our advantage. Briefly here are a few examples: Cafeteria Committee, Harassment Committee, Enhancement Committee, All Campus Council. Don't hesitate to participate.

Here is a brief example of student fees at other colleges:
