

Times Tingedwards

Vol. 154, No. 153
June 27, 1991

YOUR ATTENTION PLEASE

We would like to retract a request in last week's KEC Times to send business cards to a boy in England, Craig Shergold, who had a brain tumour and is collecting these cards in order to be in the Guinness World Book of Records.

If you read Ann Landers, and many of you had seen the article in The Sun last week, you will know that unfortunately, although this was originally bona fide, it turned somewhat sour. Apparently the Shergolds never requested business cards (get well cards was the original request) and are currently receiving 10,000 daily for which they have neither purpose nor desire. This well-meaning effort is turning into a nightmare. Therefore, please do not send business cards.

However, there is also a wonderful fairy-tale-like aspect to the story. A Virginia billionaire heard the story and arranged for a brain surgeon in the U.S. to operate on Craig. He brought the entire family to the U.S.; the surgery was a huge success and Craig is expected to live a full life. He also achieved a record for his collection of get well cards.

Some people read the horoscope before embarking on a project, maybe we should read Ann Landers!

Our apologies for any inconvenience caused.

ABE ACTION PLAN

Since the last ABE ACTION PLAN UPDATE in February, many faculty and staff from the ABE Division and Student Service areas of the campus have been active on Task Force Sub-committees. A number of the sub-committees have completed their research and are drafting reports.

VANCOUVER
COMMUNITY
COLLEGE

ABE Action Plan (Cont'd)

In all, eleven sub-committees have been established. Task Force #1: Instruction has six subcommittees: Assessment, Physical Environment, Integration, Learning Styles, Technology and Curriculum Content. Task Force #2: External Access has two subcommittees: Student Profiles and New Students, and Advertising and Community Liaison. Task Force #3: Internal Access and Student Services has three sub-committees: Entry Procedures, Articulation and Transferability, and Retention.

At the June 19 Steering Committee/Sub-committee meeting, the group set time lines for completion of the ABE Action Plan. Sub-committee reports will go to Task Force Co-chairs by mid-October, Task Force reports will go to the Steering Committee by mid-November and the first draft of the Action Plan will be given to the Steering Committee by mid-December. The Steering Committee and Sub-committee Chairs will review the first draft and a revised draft Action Plan will be presented to the ABE Division at the end of January 1992.

As we head off on holidays and in some cases say good-bye to colleagues affected by the reduction sequence, I would like to extend a thank you to everyone connected with the ABE Action Plan. Your hard work and commitment to the process are very much appreciated.

Mary Waddington, Co-Chair
ABE Action Plan

UNITED WAY

Pat May, our United Way chairperson, reports that thank you letters continue to come in from community organizations benefitting from donations.

From the Family Services of Greater Vancouver: "Your generosity has helped us reach more people in our community. And that's something to be proud of."

Other thank you's have been received from the John Howard Society, the Salvation Army and the Burnaby Hospital Foundation.

Campus principals are now recommending people to serve on the 1991 United Way Committee. Anyone who is interested in serving should contact their principal.
