PACIFIC RIM SCHOLARSHIP STUDENT IN INDONESIA

Trevor Sawkins, a graduate of the TESL Overview program was awarded the Pacific Rim Scholarship for 1991-92 to study the language and culture of Indonesia. We just received his first report which is too long to reproduce in entirety, but which is available for those interested from the office of the Acting Vice Principal.

Trevor arrived in Yogyakarta, Central Java in October and has been assiduously studying

Bahasa Indonesia, the national language. He has already experienced a Javanese wedding, has visited volcanoes, Buddhist and Hindu ancient monuments and temples and has been exposed to Indonesian art and music. He will give us a full report with a slide presentation when he returns in the Fall of 1992.

TO ALL ADMINISTRATORS

If you are absent from your office, please remember to call forward your phone to a local at either City Centre or King Edward Campus. This will be an enormous help to people who have to try and arrange meetings, etc.

Thank you.

VI MCKINNON'S RETIREMENT

Vi McKinnon served the ESL Division and King Edward Campus with efficiency and charm for many years. I'm sure you will want to wish her well on her retirement so please stop by the ESL - Vocational Office (Room 3174) to sign a card and make a donation towards a gift for Vi between now and January 10th. We are planning a lunch time reception in Vi's honour during the third week of January (more news about that later).

GOAL ACHIEVERS' WORKSHOP

Are you tired of setting goals and not even starting them? Is it your usual pattern to quit at the first sign of resistance? Have you just stopped setting goals because you know you won't accomplish them? Are you a selective procrastinator? Tired of doing others' goals while yours go to the bottom of the priority list?

By the end of this workshop, you will have the experience of breaking through resistance and setting goals you can achieve!

This workshop is facilitated by Phyllis Loher, who consistently demonstrates that setting goals produces results. Phyllis is an innovative counsellor and educator in private practice in North Vancouver. She has developed a successful career as a workshop leader specializing in courses for personal and professional development. Using herself and her life experiences as teaching tools, she brings enthusiasm, compassion and humour to her work.
