KIWANIS MUSIC FESTIVAL

As you are probably already aware, the Music Department is hosting the annual Kiwanis Vocal and Instrumental Jazz Competitions at KEC this week, beginning today, and running through Saturday.

Over the next few days, there will be some 1000 potential KEC music students on the premises involved in this major competition. While we have tried our best to make sure the event will be limited to the Music area, there will be some spillover effect. For this we apologize in advance. One of the effects will be an area of the student lot blocked off for bus parking.

We will have the Music Department office (3271) staffed at all times throughout the Festival, so please contact us at 7297 if you have a problem with the operation of the Festival.

This is a major event for us, with long-term benefits, and we thank you in advance for your cooperation throughout the weekend.

Terry Smith

ADMISSIONS

VANCOUVER
COMMUNITY
COLLEGE

A TRIBUTE....

Long time VCC employee Carol Caldecott passed away on January 28, 1992, leaving behind many friends and colleagues at the College.

Carol was one of a small group of employees to join VCC shortly after it became independent from the Vancouver School Board in 1975. The institution was known then as Vancouver City College and from that time onward Carol worked in the payroll department.

A Memorial Service for Carol was held on Saturday, February 1, 1992 at Ryerson United Church, with a floral tribute sent on behalf of VCC employees.

Friends and co-workers will remember Carol for her happy smile and generous ways. She was for many years active in the Vancouver branch of the Girl Guides of Canada and a memorial fund in her name will be established to provide scholarships for Guides wishing to attend Camp Olave on the Sunshine Coast.

Carol was particularly active at Camp Olave and plans include the dedicating of a plaque at the camp, in her honour. Donations to the Carol Caldecott Memorial Girl Guides Fund can be sent to:

KAREN KELLY - KEC/CITY CENTRE
MARGO LUPIEN - LANGARA
ELAINE COOKE OR VAL CAHILL - 5TH FLOOR

Carol will be dearly missed by friends and family alike.

UPDATE: "OUR BETSY" McDONALD

Early in January, I reported to you that former KEC instructor, past president of the faculty association (the VIA), and everyone's friend and champion, Betsy McDonald - "our Betsy", is gravely ill.

Your cards, notes, letters and calls that followed were greatly appreciated and have certainly done wonders to lift Betsy's spirits. She speaks so fondly and glowingly of her memories here at VCC. She cherishes all the words that have been sent her way and has warmly mentioned them all to me when I have visited with her. Names of the wonderful folks who have been able to take the time have been affectionately recited and many of your thoughtful words have been quoted aloud. Thank you all.

The lungs may be ravaged with cancer, the heart may be weaker than ever in her lifetime, but that doesn't stop "OUR BETSY" from planning. Those big, blue eyes are still very bright and determined (weren't they always?!). Your thoughts and wishes provide so much of the energy boost.

"I go from deadline to deadline", she tells me. "And I just made the current deadline, as I planned -- my birthday!"

Betsy celebrated her 83rd birthday on Valentine's Day.

Perhaps you would like to send off a note to Betsy if you haven't yet done so. Or, maybe you would like to send off another. And, even if you did not know "our Betsy" all that personally, she would still love to hear a word from you. She established a lot of fundamental groundwork and leadership on behalf of us all. She will always be appreciated and fondly remembered.

Let's give her heart and spirits another boost!!
