UPDATE FROM THE CAFETERIA

Please do not remove the china or silverware from our Cafeteria. It reduces the supplies and also clutters the courtyard.

MENTAL FITNESS CORNER**PUZZLE:**

Three men went into a hotel and were told that there was only one room left and that it would cost \$30 for the night. They paid \$10 apiece and went to the room. The desk clerk, discovering that by mistake he had overcharged them by \$5, asked the bellboy to return the \$5. The bellboy, not being as honest as the desk clerk, reasoned that since \$5 is not easy to divide three ways, kept \$2 and returned \$1 to each of the three men. Each man thus actually paid \$9 apiece, or a total of \$27 for the room. Add to that the \$2 the bellboy kept and the total is \$29. Where did the missing dollar go!

PRINCIPAL'S REPORT

1. Inter-Campus Executive Committee

An expanded Inter-Campus Executive Committee (I.C.E.) has been formed, the purpose of which is to discuss and make decisions and recommendations about inter-campus matters. The membership at the moment includes the following: the Vice-Principal of Administration and Student Affairs, the Directors of Finance from both campuses, the Registrar from King Edward, the Director of Student Services from City Centre and the Division Chairs from both campuses. I shall chair the committee which will meet every second week at alternating campuses. We have met twice and so far seem to be accomplishing a great deal. If anyone has any suggestions for the committee, please forward them to any member of the group. The terms of reference are not yet finalised and all comments are welcome.

2. A.C.C.C. - I.P.A.C.

As I represent British Columbia and the Yukon on the International Programs Advisory Committee for the Association of Canadian Community Colleges, I shall be in Montreal from May 20 - May 28 attending meetings.

3. Acting "Acting Principal"

In my absence, John Vandenakker will be assuming my duties.

4. Since the last Principal's Report life has continued its hectic pace. I have spent most of my days in Budget meetings and the pace of negotiations seems to be heating up. The Tri-Partite meetings are still in the melting pot and I have little time for what I consider to be "my real work".

5. Meetings

It was a pleasure to meet many of you at meetings at King Edward and City Centre and I am gradually becoming a little more adept at putting names to faces and signatures. My thanks for your attendance and special thanks to KEC North faculty for welcoming me so graciously for a second time.

6. Budget 1992/93

As the Budget construction grinds on it is increasingly apparent that 1992/93 is not going to be a munificent year but as usual, working together, we shall, I am sure, make the best of it. At the moment, members of the College Executive Committee are working towards a visit with the Deputy Minister on the 12th of May where we hope to clarify some issues. The end of this year's process will, we hope, move us towards a stable financial future and a more workable organisation.

7. Happy Holidays

- a) On a less serious but nonetheless sincere note, may I wish you all a good Victoria Day weekend. My younger son is getting married on May 16th so it will be a special weekend for me.
- b) Also Happy Mother's Day to all of us Mothers! (That's a reminder to all of you sons, daughters, husbands, etc.)

**PHONE CALLS TO THE
COUNSELLING DEPARTMENT**

callers per year).

SOLUTION:

- 1 To receptionist: if at all possible, we would appreciate it if you would avoid calling the receptionist between 10:00 and 10:30 AM. At this time one support staff person is available to assist students and to answer phone calls.
- 2 To call specific individuals: whenever possible, please phone staff and counsellors directly rather than via the receptionist.
- 3 Messages for individuals can be left on voice-mail rather than with the receptionist.
- 4 Emergencies: Unfortunately, immediate telephone contact with the receptionist is not always possible. This is due to the large volume of calls (Counselling area support staff deal with at least 65,000

Bring or send the student (either with a note, or accompanied by another person) to the counselling area, and have the receptionist made aware that "this is an emergency".

WANTED: STORIES FROM KEC STAFF AND STUDENTS

IN COMMEMORATION OF THE ARRIVAL OF CAPTAIN GEORGE VANCOUVER

The Vancouver Folk Music Festival Society is producing *Arrivals & Encounters 1792-1992*.

June 13 and 14, 1992

12:00 NOON to 8:00 PM

Held in 5 parks in 4 neighbourhoods, *Arrivals & Encounters 1792 - 1992* is a family event that tells the story of Vancouver in the first person singular. It is the story of all of us, told by us.

On the Oral Life Stories Stage people of all ages and backgrounds will share their stories of arrival, with time set aside for members of the audience to stand up and share their experiences too. First Nations people will talk about their history and experiences as the first folk to live in what is now Vancouver.

Display panels created by some of Vancouver's finest visual artists will be used to present photographs and documents from archives and personal collections tracing people's arrivals and encounters in Vancouver.

We are looking for people who can tell their stories, or those of their family, in an informal park setting.

We are also looking for photographs, images and documents that we can reproduce, and combined with a few lines of text, tell stories in a different way.

For more information call 879-2931 or contact: John Kostoff, ESL/Vocation at 871-7264.
