COMPUTER BULLETIN BOARD

The Economics and Environment BBS has been on-line since early May and is available without charge to anyone who calls 254-8296 using a computer and modem.

This computer bulletin board carries discussion on a number of topics including economics, justice, population, education, health care, agriculture, gender issues, money and banking. A section on the B.C. economy will be added shortly.

Callers are invited to read some articles, participate in on-line discussions, join a monthly discussion group or submit their own writing for publication on the BBS.

The Economics and Environment BBS is operated by Art Powell, graveyard security at King Edward Campus.

BICYCLE NEWS...

We are beginning to see a big increase in bicycle thefts, so please make sure all bicycles are attached to the bike racks with heavy duty chains or 'U' locks. Remember even seats and wheels are being stolen!

The Security personnel are doing their best to stop theft and in fact last week they caught a crook red-handed. This incident is now a Police matter.

ABSENCE FROM CAMPUS

Helen Spencer, Department Head, CPE is on holidays from June 01 to June 30, 1992 (inclusive). Please contact Jack Whelan at local 7257 in Helen's absence. Jack will be instructing ½ time during this period.

Where?

The conference will be held at UBC, with meals in the Grad Student Centre, workshops in Buchanan building, and accommodation in the Gage Residence.

When?

We will meet Friday evening, June 19th, for dinner, and all day Saturday, June 20th.

Who?

WPSE is an association of women working at all levels of the BC post-secondary educational system.

Why?

We gathered for a three-day conference in May of 1990 to arrive at common goals for ourselves as women working in the province's post-secondary educational system. After that conference, WPSE was born. The purpose of this get-together is to prepare action plans that will help us put those goals to work.

Speakers

Our keynote speaker at Friday's banquet will be Phyllis Frick of Athabasca University in Alberta. Phyllis rose through the ranks at Athabasca from Secretary to Associate Vice President, Learning and Academic Support.

Linda Coyle, our fearless WPSE president, is our speaker at Saturday's lunch.

Workshops

Most, but not all, of our presenters are confirmed. We will let you know who they are in your conference package which we will mail to you when you register. On the registration form, please indicate your first and second choices for each workshop session by indicating 1 and 2 in the boxes beside the titles. You will be assigned to one workshop for each session.

Workshops are assigned on a first come, first served basis. The sooner you get your form in, the more likely you are to get into the workshops you want!

SFU X-Change

Members of SFU X-Change have access to Electronic Mail, but this is only one of the benefits of membership. Members can also search university databases, conduct ERIC searches, contact interest groups anywhere in the province, in North America or in the world, all from the comfort of their home computers.

KEC-USERS

Kec-users is a group of electronic mail users on our campus. Any message addressed to kec-users reaches all members of the group. This is a good way to keep in touch with members of other departments as well as exchanging useful information.

The following is a list of members of the kec-users group
