If you feel you can contribute a few hours over the next eight weeks, please help. Volunteer time is as essential as money, in order to help spread the word about the United Way. The more interested and creative people that sit on the Committee, the easier the job will be.

### **GEORGE CLARK CARE & SHARE TRUST FUND**

The Care and Share trust fund was officially formed last year in honour of George Clark to continue his work of raising money for needy students at City Centre. Every year at Christmas, fund raising events are held and all monies raised are deposited in the fund administered by the Vancouver Community College Educational Foundation. These monies are matched by the provincial government and only the interest is used. The distribution of the interest is administered in the form of Bursaries by the Financial Aid Office at City Centre. The Care and Share Trust Fund presently totals over \$18,000.

This year, as one of its fund raising events and through the very generous gesture of a frequent donor, the Care and Share Committee is able to offer a spectacular sports event this Fall to raise funds:

### **VANCOUVER CANUCKS 1992-1993 SEASON HOCKEY TICKETS !!**

Here's how it works: you make a donation to the George Clark Care and Share Trust Fund. Now here's the good part: you will receive a PAIR of tickets to one Vancouver Canucks home game (Retail value if you could buy them, \$81). Your game date to be determined by a draw. For you hockey aficionados, these are not just any tickets. These are REDS! sections Z, Row 12, Seats 12 & 13. If you're not a hockey fan (hard to believe), they will make excellent gifts. The only sad part is we can only accept 41 donations for this event. So hurry! First home game is October 10, and the draw will be on Wednesday, September 30 at City Centre, main lobby at noon. If you cannot attend, you will be notified by the committee.

**REMEMBER:** For your donation (minimum \$ 100.00), to the George Clark Care and Share fund, you get two tickets to a Vancouver Canucks home game.

What a feeling! You will be helping needy students at City Centre while at the same time watching Bure dance around the opposition's defence to score another classic goal. And you'll only be eleven rows away from all the exciting action.

To donate to Care and Share, give your donation to the "V.C.C. Educational foundation - George Clark Care and Share" to any one of the committee members listed below. Your name will automatically be entered in the draw to determine which game you will attend.

## MAD FOREST

A Play from Romania

by Caryl Churchill

directed by Michael McLaughlin

OCTOBER 1 - 18

Studio 58 is extremely proud to begin its 27th season with the **Canadian Premiere of MAD FOREST**, by world-renowned British playwright **Caryl Churchill**, on stage from October 1 to October 18.

How can we forget the bloody images of Nicolae and Elena Ceausescu after the December 1989 coup in Romania. From the confusion and turmoil of the events before, during and after the revolution, Caryl Churchill has shaped an urgent and electrifying play.

Just three months after the fall of Ceausescu, Churchill and 11 senior drama students from London's prestigious Central School travelled to Bucharest to begin their research. Based on conversations with Romanians, **MAD FOREST** recreates the events of the revolution as experienced by average citizens. This production focuses on young Romanians in their determination to look past the repression and thwarted hopes of a dictatorial regime toward positive change in a new society.

**MAD FOREST** will prove to be one of the most provocative and memorable shows of the season.

Caryl Churchill is the most widely performed and published dramatist in contemporary British theatre. Critics praise her work as witty and inventive and her plays are known for challenging social and dramatic conventions. She has more than 10 full-length plays to her credit, including Obie Award winners **Cloud Nine** (1979) and **Serious Money** (1987). Other plays include, **Top Girls** (1982), and **Fen** (1983).

After a five year absence from Vancouver and his alma mater Studio 58, Michael McLaughlin returns from his position as Artistic Director of Magnus Theatre in Thunder Bay, Ontario. Mr. McLaughlin has worked extensively on both coasts and his directorial credits include, **Shirley Valentine**, **She Stoops To Conquer**, **Billy Bishop Goes To War**, and **Rock and Roll** for Magnus Theatre; **Woman In Mind**, **Angry Housewives**, and **Rattle In The Dash** for the Arts Club Theatre.

Set design by **Carole Klemm**.

Lighting design by **Adrian Muir**.

Costume design by **James Glen**.

Sound design by **David Epp**.

STUDIO 58 is located in the basement of the Main Building on the Langara Campus of Vancouver Community College, 100 West 49th Avenue.

At Interaction '92 we will be focusing on our strengths both as individuals and as organizations and on ways for us to work together more effectively. "Enhancing Our Connections" will begin with an International Swap Market on Friday evening and conclude with an international dinner and entertainment on Saturday.

The workshops, which run all day Saturday, have been designed to give you new ideas, to reinforce the quality work already being done and to provide opportunities to interact with other professionals.

We invite advisors, student services staff, counsellors, teachers, homestay coordinators and administrators to take part in 'Enhancing Our Connections!'

## **Format**

Early registration will take place on Friday evening. Delegates will be invited to bring any program information which they would like to display and share. For more information see the Conference Program or contact Joan Hall at 937-5788 (Vancouver).

The official opening, wine and cheese party and swap market will follow.

On Saturday delegates will choose from a number of different workshops. Lunch is included in the registration fee. For those registered in the Full Program, an evening of activities is included. The lakeside, tropical atmosphere of Salty's Beach House blends in well with its "Islands Around the World" cuisine. Each table will be served a variety of sumptuous platters from which to select favourites. Following dinner, entertainment will be provided.
