## **PRESIDENT'S SCHEDULE**

You will have received a copy of my Campus schedule. Many of you have commented that you appreciate the improved access to the President.

May we request that when scheduling a meeting which you would like me to attend, you bear in mind my scheduled location on that day. I would like to accommodate as many of these requests as possible and would appreciate your assistance in this regard.

I look forward to seeing more of you, on your own turf!

**John Cruickshank**

## **JAIL'N BAIL - PLEDGES**

A note of thanks to all those concerned employees who pledged hard earned dollars (in aid of the Canadian Cancer Campaign) in order to bail our President out of jail last week. He is grateful to you all and I must say that I am most relieved that he was released!

## **THORNE'S MARATHON EFFORT.....**

On Sunday, October 11, 1992, Thorne Husband, from our Counselling Department, completed the Royal Victoria Marathon (26 miles plus). With the successful completion of this run, Thorne now has seven marathons under his belt.

There is a strong possibility that he will compete in the 1993 Nepal International Marathon (all donations of money, oxygen tanks, etc., greatly appreciated) next summer.

**TEST ANXIETY WORKSHOP  
FOR KEC STUDENTS**

by  
**THORNE HUSBAND,  
COUNSELLING DEPT.**

**October 23rd (Friday) 12:30-2:00 p.m.  
Room 3016 (Counselling Department)**

This will be an informal mini lecture and discussion of test anxiety. Topics will include the general nature of test anxiety, effect of test anxiety on test performance, strategies and techniques for countering test anxiety, developing your own approach to coping with tests, and where to get additional professional help for test anxiety.

This workshop is for students who are well prepared for a test but who do poorly on a test because of test anxiety. The workshop would also be of benefit to persons who feel uptight while studying for a test. All interested students, however, are welcome to attend the workshop.

Handouts include: test anxiety symptom checklist, internal dialogue (categorization of thinking processes of high-test anxious students), instructions for relaxed breathing, and a guide to stress control.

Please register for this workshop by completing the sign-up sheet at the Counselling Department's Receptionist Counter.

### BORROWING PRIVILEGES AT THE SFU LIBRARY

Just as at UBC, VCC faculty are eligible to apply for extramural cards at the W.A.C. Bennett Library at SFU. If you are interested, please see Carol Mercier in the principal's office first who will give you a letter of identification to present at the front desk of the SFU Library. There you will be given information about borrowing privileges and overdue fines which I have been warned are quite steep.

When applying for your card, try to visit the SFU Library before late in the evening. We have been cautioned that the process will be more quickly handled when there are more staff available. Good luck!

### RESERVES IN THE KEC LIBRARY

If you wish to place items on reserve in the library for your students, please discuss this with one of our reference staff at the information desk or contact your subject librarian. In this way, we can place the item(s) on reserve for the period of time you wish and eventually return it to you or place it back on the regular circulating shelves.

We would appreciate your giving us the reserve materials at least a week before you announce their availability to your students. Library staff needs this lead time to create the reserve record and in many instances to package the materials appropriately.

If you are the new instructor in an established course for which there are many items on reserve, please let us know that you are now teaching the course. One of the best ways students can obtain reserve materials is to search our computer catalogue under the present instructor's name. We will be glad to change the instructor's name for the reserves once we hear from you.

Many thanks to all instructors for returning the forms we have sent through campus mail about older reserve items. We're happy to process them, so keep them coming!

Aphrodite Harris

### GEORGE CLARK CARE AND SHARE TRUST FUND

We are happy to report that the recent event involving Vancouver Canucks season hockey tickets was a resounding success.

All 41 pairs of tickets were distributed. The event raised \$4,200, which, when matched will double to \$8,400. This will bring the total amount in the fund to approximately \$27,000. The interest generated by these funds will help needy students for years to come.

The draw was held as scheduled conducted by Angelo Iapalucci, Roger Schofer and Sam DiGiando. All participants have been notified and should have their tickets. If you have not yet received your "Reds", please contact one of the committee members.

Thanks to all who participated in this event, especially one who contributed even though there were no tickets left. A big thank you to the donor of the tickets.

Trust everyone will enjoy their game.

The George Clark  
Care and Share Committee

## **B.C. Asia Pacific Awards**

### **Your opportunity to work or study in Asia Pacific**

If you want to expand your knowledge of an Asia Pacific culture and language, forge friendships and working relationships with people from another country, and share those experiences with fellow British Columbians on your return, you could qualify for the British Columbia Asia Pacific Awards.

The Ministry of Advanced Education, Training and Technology, through the British Columbia Centre for International Education, offers a variety of financial awards to public post-secondary students and professional staff eager to develop their understanding of the cultures, economics and languages of the Asia Pacific.

**For professional staff,** the British Columbia Asia Pacific Scholars' Awards provide financial support enabling recipients to work in Asia Pacific countries.

**For students,** the British Columbia Asia Pacific Students' Awards are designed to offer financial support for award recipients attending rigorous programs of study in Asia Pacific countries.

Eligible applicants must be Canadian citizens or landed immigrants, and be permanent residents of British Columbia attending/working in a public post-secondary institution.
