## CAMPUS RECYCLING PROGRAM

- I have been checking a number of the large paper recycling containers and although most people are following instructions there are still some who are contaminating the collection with coloured paper and newsprint. If you are finding contamination in the containers please remove or at least notify me.
- The Student Association is now collecting bottles and pop tins in special containers located in the cafeteria. Your help in reducing waste in this area will be appreciated.
- Some people have asked if the leaves and grass cuttings are recycled. I spoke with the landscaping contractor and he informed me that all the landscaping waste is given to the City of Vancouver who compost it and use it on the city parks and gardens.
- Individual desk size blue boxes are still available for those people who are concerned about recycling. I am very surprised that more people have not bothered to pick one up. Please call me at Local 7373 to make sure I am in my office before coming around to pick one up.

Jay Strachan,  
Building Services Manager

## ABSENT FROM CAMPUS

Until further notice Kathryn Thomson, Harassment Advisor will not be available for consultation. Please see a Counsellor in her absence or leave a message for her at 876-2932.

## CHRISTMAS AT KEC

Christmas is only 36 days away! There will be many activities to celebrate the festive season, so mark them in your calendars. (The Christmas Committee "elves" don't want to hear a single "bah humbug" this year.)

### December 3 Christmas Tree Celebration

12:00 noon	Carol singing around the tree
7:00 p.m.	Candlelight celebration and carol singing

### December 8 Bake and Crafts Sale (Proceeds to the Food Bank)

### December 10 Decoration Judging (1)

### December 21

3:00 p.m.	Concert (2)
3:30 p.m.	Party

- (1) Last year we instituted an inter-departmental decorating competition which was a great success. By popular demand, we are bringing it back this year. You are asked to use your imagination to make your area as festive as possible. We would like the decorations to be in place by Thursday, December 10 ready for judging on the 11th. Judging will be on the basis of the following criteria:

originality  
creativity  
seasonality

- (2) This year we are looking forward to the Third Annual Faculty/Staff Concert. Once again, we are asking all departments to come up with an act of some sort (5 min. max.) - skit, music, poem, dramatic reading, etc. We will happily accept acts that are either humorous or serious.

Jean MacLeod is the concert coordinator. Please contact her if you have any questions, Local 7294.

Seasonal Cards - these are "in house" cards that will be readily available for anyone on campus to send to friends and colleagues who "make the difference" and deserve recognition within the College (stay tuned for availability date).

"Roving Carolling" - if you have a secret desire to sing, contact Jean MacLeod, Local 7294. We will be carolling in the hallways in the last few weeks before Christmas (the more the merrier!).
