### **PERSONAL INTERVIEWS WITH SUPERANNUATION COMMISSION REPRESENTATIVES**

If you are approaching retirement age or actively planning for retirement, and will be receiving a Municipal or College pension, you will be interested to know that the Superannuation Commission representatives are available two days per month here in the Lower Mainland for personal interviews. The interviews are one-half hour in length and are usually held on the first or second Wednesday/Thursday of each month (except July and August). The interviews are held at the Medical Services Plan offices, Metropointe, Ste., 402-4603 Kingsway, Burnaby.

Those wishing an interview should complete a Request form (available from Employee Relations) and forward it to the Superannuation Commission four months prior to the requested interview date.

Those planning retirement have always been encouraged to begin the necessary procedures with the Superannuation Commission well in advance of actual retirement. The Commission is now encouraging people to begin the process -- that is, request for pension estimate,

interview and pension application material, a full year before actual retirement.

Employees wanting a specific estimated of pension (beyond the annual statement automatically provided) should complete Request for Pension Estimate form (now available thorough Employee Relations) and forward to the Superannuation Commission.
