## FROM THE EDITOR

In order to conserve paper and due to the fact that many staff and faculty will not be here because of holidays, the KEC Times will be published every second week for the summer months of July and August. We will also be reducing the number of copies we duplicate for distribution for the two month period as well. The deadline for article submissions will remain the same: every Tuesday by 4:30 p.m. Please call Doreen Sharan, local 7004, if you have any questions.

### SILENT ANNOUNCEMENT SYSTEM

A reminder that our new system is operational. If you would like to have information viewed through the system, please submit your requests to Karen Kelly, Administrative Manager.

## CONGRATULATIONS COUNSELLING AND THE S.A.'S

For the second year we have received a cheque for \$30,000 to maintain the Student Advocate Program. We are funded by a settlement grant thought the Ministry of Education and the Ministry responsible for Multiculturalism and Human Rights. Donna Barreca and Mel Felker applied for the funding last year though MOSAIC. The evaluation for the S.A. program "92-93" was very positive. Student Advocates are trained by the Counselling Department to assist other students with services such as interpretation, accompaniment to community/government agencies and personal support. In this time of budget cuts its good to know that this valuable service will continue and that it has received positive recognition from the provincial government.
