## IN CONSIDERATION OF OTHERS...

If you have a scheduled meeting which involves 10 or fewer members, we request that you book Room 4056 and leave Room 4043 open to a larger group.

In case your meeting is cancelled, please remember to notify the Switchboard Operator at local 7000 and he or she will make sure that it becomes available to others for use.

During regular hours, whenever possible, please ask the switchboard operator to reserve the times you need. This will help avoid conflicts which occur when people do their own room bookings.

Thank you for your cooperation and consideration.

## REMINDER - WORKSTUDY TIMESHEETS

Because of the very tight deadlines set by the Ministry for the completion and submission of Work Study Reports, some very tight internal deadlines have been set. Please forward timesheets for the period ending July 31, 1993 to the 4th Floor Payroll Clerk by August 5, 1993.

Students may continue to work after July 31, but if funding is not available or the students do not qualify for the Fall term, then all hours will be charged to the user department's account code.

## PHONE SYSTEM TEMPORARY SHUTDOWN

### Attention All Users

Please note that the campus phone lines (including voicemail) will not be available to users on August 03, 1993 beginning at 8:00 p.m. to 10:00 p.m. The system's software is being upgraded and the shutdown will last for 4 hours.

## THANKS!

I would like to say thank you to a few people who made an extra effort while I was away this year on sick leave.

**TO: Lorraine McKillop and Carol Mercier** for Your unflagging friendship during this last year. Your calls, visits and flowers made a big difference. I love you both always.

**TO: Mel Felker, Graham Burns and Pauline Reaburn** for your caring and concern. I would have to walk a long way to find such genuine compassion.

**TO: Lorraine Lewis and Roland Moutal** for keeping the ship afloat while I was gone. Also for not calling me at home and asking "where do you keep...?" until they had asked how I was feeling and what was I up to. You both did an exceptional job in a difficult situation. The Titanic should have had such a crew - it would still be sailing today!

**TO: Nikki in Personnel** - I won't ever shout at you over the phone again - I promise. Thanks for your weekly phone calls.

**TO: Linda Rapson and Norman** for your straightforward talks, honest opinions and encouragement in my creative pursuits. I couldn't ask for better friends.

If I have left anyone out A THOUSAND apologies. I didn't really want this to sound like an Academy Award acceptance speech.

Thank you all.

**Joanna vanLiingen (Brockley)**
