## UNIQUE PROFESSIONAL DEVELOPMENT OPPORTUNITY

### AVAILABLE TO ALL VCC FACULTY, STAFF AND ADMINISTRATORS

Many of you are aware that VCC is working on a linkage project with the Sri Jayachamarajendra College of Engineering (SJCE) in Mysore, India. We are currently in Year Three of a three-year contract. The project has presented unique opportunities for some VCC faculty members to go to Mysore to provide technical assistance.

Next month, Mr. Shivaram, faculty member of SJCE - STEP (Science and Technology Entrepreneurs Park) Program, will be in Vancouver on a training program. Mr. Shivaram has developed and regularly presents a "different" kind of stress management program at SJCE - STEP.

Management of the Human System for Better Performance examines body and mind, mind and intellect, their effect on each other and the need for management. Relaxation and meditation are key elements of this program.

If you are interested in participating in an eastern style approach to stress management and would like to participate in a one day workshop at VCC, or if you would like more details, would you please contact Sarah Lucas (local 7158), who is coordinator of the VCC - SJCE Linkage Project, as soon as possible. Sarah will set up one or two one-day workshops depending on the level of interest. The workshops will likely take place on a Saturday.

# INVITATION TO RETIREMENT PLANNING SEMINAR

Dear Employee:

As you may know, VCC's Employee Benefits Committee is responsible for overseeing the operation of the College's employee benefit program. The Committee is made up of two members representing the College plus a representative from each of the various employee groups within the College.

In 1991, the Employee Benefits Committee determined that many of the College's employees could benefit from the opportunity to attend a retirement planning seminar. During 1992, four retirement planning seminars were presented for VCC employees and their partners. Response from participants has been very positive and, therefore, the Employee Benefits Committee is pleased to announce that a further seminar has been scheduled.

The seminar is presented in a two-part format and includes:

- ☐ Financial planning and money management;
- ☐ Pension information;
- ☐ Information and wills;
- ☐ Life transition and relationship adjustment; and
- ☐ Health, accommodation and leisure time.

Outside seminar facilitators with considerable experience in retirement planning will lead the seminar. The seminar (including all materials) is provided free of charge to VCC employees and their partners.

You and your partner are invited to attend the following seminars. The scheduled date is:

DATE	TIME	PLACE
● PART 1 - NOVEMBER 12, 1993	8:30am to 4:00pm each day	5th Floor Boardroom at King Edward Campus (Room 5025)
● PART 2 - NOVEMBER 19, 1993		

If you would like to attend a retirement planning seminar, please complete the application on the reverse side of this letter and return it as soon as possible to the Employee Relations Department. Attendance is limited to a total of 30 individuals per seminar in order to allow participation by attendees. Please be advised that if the seminar is oversubscribed, consideration will be given first to participants closer to retirement age. Confirmation of your registration will be provided to you in advance of the seminar.
