TO MY FRIENDS AND COLLEAGUES AT VANCOUVER COMMUNITY COLLEGE

Please accept my most heartfelt and humble thanks for your support and encouragement throughout the past weeks, and indeed the past several months.

It is incredibly difficult for Christopher, Alyssa and me to express the sadness of the loss of a mother and wife, however we can and always will remember the support of so many people during a tragic time.

I will never forget the fact that within two hours of Lynne's passing there were four members of the music faculty sitting at my dining room table offering their love, support, and assistance to my family. Within a short time after that floral tributes, cards, letters, and phone calls of support arrived from so many people at VCC. I have been truly overwhelmed by your kindness.

While there is no possible way to explain to a four year old and a seven year old why their mother was taken away from them, I have been able to share with them the many kind words of love and caring that have arrived in our home.

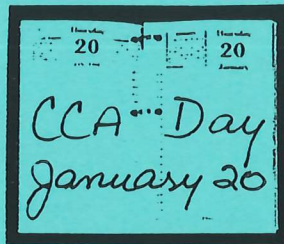

On Christmas Eve afternoon, I was reading cards that had arrived in the mail to the children. When we were finished, Christopher looked at me and said 'Daddy, you sure have a lot of friends at your workplace'. He was right.

Thank you.

PARKING

TO ALL USERS OF KEC PARKING LOTS

With the approval of the College Board, and under direction of the 'New VCC' management team, we have finalized the contract with Imperial Parking (Impark) to manage pay parking at KEC.

The following information is provided to assist you and your constituents with respect to the implementation of this contract.

- The starting date for pay parking at KEC is 0700 hours **January 17, 1994.**
- A valid parking ticket will be required from 0700 hours to 1800 hours Monday through Saturday.
- With the exception of the current parking area for the Disabled, All other areas will require a valid parking ticket.
- The rate will be \$1.00 per day payable at the coin/credit card dispensers conveniently located in the lots.
- The parking ticket is valid for one full day ie., if you leave the lot and return, the original ticket is still valid.
- During the initial start-up period, warning tickets will be issued for failure to display a valid parking ticket. Eventually a towing policy will be developed.
- The existing parking lot allocations will not change, ie., faculty/staff only, etc...
- Identification decals will be issued to faculty and staff. They are in the form of a plastic bar coded decal which is to be suspended from the rear view mirror and is easily transferrable from vehicle to vehicle.
- VCC Security will continue to patrol the lots, but not as parking lot attendants.
- Uniformed Impark employees will patrol and monitor the parking lot for valid parking tickets.

PUZZLE:

Mr. and Mrs. Smith have seven daughters and each daughter has one brother. How many

people are in the Smith family?

TRIVIA:

What colour are the top and bottom stripes of the American flag?

ANSWERS FROM THE PREVIOUS SUBMISSION:

PUZZLE:

1. The A.D. is not necessary
2. Knots is a unit of speed meaning nautical miles per hour. Therefore, the "an hour" after knots is not applicable.
3. The "set a near-record" is like saying "The team scored three near-touchdowns". A similar example is the headline: "Near-Riot Averted". What took place was a near-riot, what was averted was a full scale riot.
4. Strangled implies death and, thus, death is not needed.
5. Originally an aviation term, "zoom" means rapid upward movement. "Swoop" may be more appropriate since it implies downward motion.
6. An adage is a long-established saying. Hence, the "old" is not needed.

CORRECTION TO DEADLY SPIDERS: (Special Thanks to Myrna Redman)

Previously, I mentioned that only the bite of a Black Widow is fatal to humans. However, this is true for North America only; there are probably other spiders with fatal bites elsewhere in the world. Further research also produced the following: In North America, the bites of the following spiders are also harmful (not necessarily fatal): the Brown Recluse Spider, the Sac Spider, the Red-Legged Widow, the Varied Widow, and the Brown Widow.
