YOU ASKED FOR IT!

Since our separation from Langara at the end of March, many people have been asking, "when is the party?" Well, the Events Planning Committee has taken up the cause! With much support and encouragement from the Library folks from both campuses, we are organizing a party. The event will take place on May 11, 1994, at 3:00 p.m. at City Centre. All VCC employees and students are welcome. It will be informal and fun. Refreshments will be served, and live entertainment will be provided by the Music Department.

By the way, the official re-opening ceremony is planned for September. You will be hearing about it soon.

Events Planning Committee:

Sue Aro, Barbara Ash, Roseanne Ashworth, Malcolm Cant, Pat Kennedy, Sam Lewindon, Jean MacLeod, Dale Rasmussen, Terry Smith.

New Videos in the Library

Although the term "humorous management video" may seem like an oxymoron, John Cleese's **Meeting, Bloody Meetings** (1993, 35 min.) is both hilarious and effective. This is a brand-new and completely revised version of the 1976 classic.

OKanada (1991, 33 min.) is yet another visual account of the 1990 Oka siege. The last 17 days of the crisis were taped by a journalist who snuck through the lines of the barricaded Mohawk encampment.

Living With Stress (1991, 46 min.) comes from "The Nature of Things" series and profiles the social and lifestyle factors that contribute to this insidious phenomenon.

Applauded by some and censured by others, **The Valour and the Horror** (1992, 3 x 105 min.) offers a critical and controversial look at Canada's role in WW II.

Watch your favourite Canadian politicians from the 80's and early 90's in action in the **Understanding Parliament** series (1991, 6 x 25 min.). This series, intended for upper-level audiences, describes the electoral process, examines the workings of Parliament and follows the process of passage of a bill.

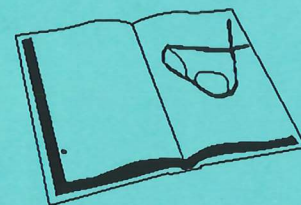

Also available for your approval are the complete videotaped proceedings of **Crossing the Bridges: Women's Issues Conference** (1993, 5 tapes, 250 min. total). This conference was held at KEC on September 25, 1993 and featured Sunera Thobani as keynote speaker.

LETTER TO KEC TIMES

April 25, 1994

Dear Friends:

The tragic death of Barbara Gray-Richards has been a severe shock to us all. Barbara made an enormous contribution to the field of ESL and to Vancouver Community College. She is recognized for the excellence of her teaching and for her dedication to the needs of her students. She was a leader in her field, celebrated nationally and internationally in the widespread use of her published texts.

In the very near future, there will be a College event to celebrate Barbara's life. Her early death is a great loss to us all. We mourn her passing but we must also celebrate her tremendous achievements.

Sincerely,

A handwritten signature in cursive script that reads "John Cruickshank".
