FREE PRENATAL CLASSES FOR STUDENTS

If you wish to connect students with prenatal classes, contact the Vancouver Health Department at 733-1108. Also, single parents or isolated women can be paired up with a "labour coach" who is a woman familiar with childbirth. The labour coach will attend classes with the student, and the birth. Contact Bonnie Lillies at 261-6366. This service is also free. ESL students may need to bring an interpreter.
