STUDENT ADVOCATES UPDATE

For the third year the Counselling Department has applied for and received a grant to fund the Student Advocates. The Ministry Responsible for Immigration and Multiculturalism will be giving us \$40,800 for the next year. We were told that our project is among those which are high priority for them! We were also visited recently from a consultant with their Ministry who wanted to do a special write up on the program. Student Advocates see about 500 students per month individually or in groups. They offer services such as interpretation, in accompaniment to government community agencies, information, assistance with filling in financial aid forms and personal support. They speak Chinese, Vietnamese, Spanish, Farsi and several other languages. It is good to see their hard efforts acknowledged. Next year we hope to have a 10 year reunion!

SUMMER ISSUES

In order to conserve paper and because many employees will be away on vacation in the months of July and August, the KEC Times will be published on an "as needed" basis only during these two months. Please continue to forward your articles to the KEC Times mailbox located in the 4th Floor Administration area.

THANKS FOR ALL THE DIMES! 24 HOUR RELAY 1.3 MILLION DOLLAR SUCCESS!

Many thanks to all those generous people who were kind enough to sponsor me in the 24 Hour Relay held this past Saturday, at Swangard Stadium. My team ran 172 miles over the gruelling and rain soaked 24 hours. I managed to collect \$642.16 in pledges thanks to the generosity of my friends and fellow co-workers at VCC. My team, the *J.W.T. Lapdogs* raised a total of \$6836.00 for the B.C. Lions' Society for Children with Disabilities.

Overall, the 174 teams that participated raised a total of 1.3 million dollars! Wow, think of how much more we could have raised if the sun had shone! I thank you, the B.C. Lions Society thanks you but most of all the kids thank you for having large hearts and even bigger wallets.
