## HERE'S A GOOD IDEA!

Sabbatical: a year or half year of absence, for study, rest or travel..." (Webster's Dictionary)

You won't likely see it mentioned in your union contract, but it's an option available to all employees - a sabbatical leave. You could request a leave for six months or for a year, to do whatever you want. What's the catch? Money, of course. Who's going to pay for this leisure? You are.

Don't stop reading. If the idea of a sabbatical leave appeals to you, it's time you asked about the Deferred Salary Sabbatical Leave Plan. Since the Plan began in 1985 a number of College employees have used it to finance a sabbatical leave. All permanent College employees are eligible to join the Plan, which allows members to defer a portion of their monthly income. This deferred amount is not taxable until withdrawn from the Plan, and you have up to six years to accumulate these untaxed funds before you withdraw them to finance your leave. As you withdraw the funds you begin to pay income tax on them.

If you like the sound of this, your next step is to find out the details. If you work at KEC, contact Bonnie Baty at local 7135, or drop into the faculty cafeteria between noon and 1:30 p.m. on Monday, July 04. Bonnie and Mary Wilson will be there to answer your questions.
