OPEN HOUSE SPECIAL EVENTS

By now most departments have organized their special events for the week of the OPEN HOUSE and we have advertised our Open House in as many places as the budget would allow - including daily newspapers and on the radio.

All that remains now is for the public to attend!!

Two special events are planned for Open House this year. The Student Society is organizing a Forum to discuss privatization which will be held in Room 240 on Wednesday, March 14 from 14:00 to 15:00. Forum participants will include Lorne Thomson from the Ministry of Education, Vance Goch from Mohler Hairdressing, a representative from Blanche MacDonald, and the Chairman of the Hairdressing Program Advisory Committee, Mr. Eric Hesselmann.

The second event is the Wednesday night opening of the facilities for the Hospitality and Tourism Industry conducted by the Minister of Tourism, Mr. Claude Richmond.

"VVI--LEARNING A LIVING".

Let's make this a memorable event.
