LIBRARY FILMS May 22 (11:45 in the Library Screening Room)

MOODS OF CROSS-COUNTRY

Pleasure skiers see and ski magnificent mountain country unreachable by hikers or downhill skiers in wintertime. Innovative filming techniques explore the many moods of this rapidly growing sport.

LOTOMANIA

Until 1968 lotteries were illegal in Canada. Now they are a billion dollar industry run by governments. This film gets beyond the hucksterism, hard-sell, and show biz that conceal the true nature of lotteries and asks interesting questions about government, money, and the role of the citizen in the larger society.
