COME OUT AND SUPPORT
THE
24 HOUR UNITED WAY
RELAY

Sponsored by the VCC No Name
Running Club, KEC Campus, Regional
Office and Continuing Education

24 HOUR RELAY

Just a reminder that there is still time to get involved in the United Way 24 Hour Relay.

- WHEN: Thursday, October 27, from 12:00 noon to Friday, October 28, 12:00 noon
- PLACE: China Creek Park opposite the student parking lot
- OBJECTIVES:
- TO raise \$\$ for the United Way Campaign
 - TO publicize the College and our Open House on November 4
 - TO encourage a little "friendly competition" between KEC Campus, Regional Office and Continuing Education
 - TO have fun and make new friends

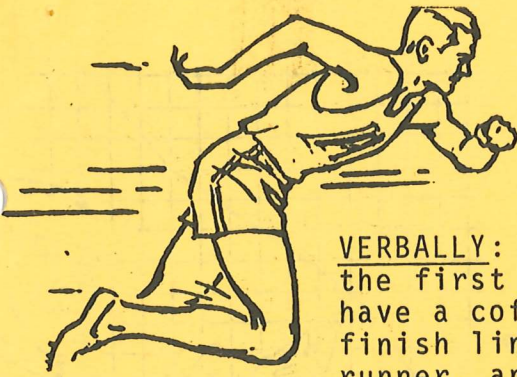

HOW CAN YOU BE INVOLVED

FINANCIALLY: By pledging your personal support, by helping your Department or work area raise pledges, and by helping your work group (VEC, Regional Office or Continuing Ed) raise the most pledges per mile. "Distinctive tokens of recognition" will be presented by Tony Manera at the President's Reception during KEC's Open House, to the Department or work area that raises the most pledges per mile, and to the work group that raises the most pledges per mile. (Jim Humble is well on his way to ensuring that KEC wins this award!)

PHYSICALLY: By contacting Peter Hopkinson at local 567, or by signing the running schedule which is posted in the Faculty/Staff lounge, and committing yourself to run, jog, walk, or crawl for 15 minutes to a maximum of one hour anytime during the 24 Hour Relay. You only have to run once, you can choose your time and pace. You can run alone, with a friend, or a group of friends. You do not have to collect pledges. The total number of miles (or feet) you run will be added to the team total!

EMOTIONALLY: By contacting Bob Hamaura at local 342, or by signing the support form in the Faculty/Staff lounge and committing yourself to a specific block of time. Support people are needed to give back up to the runners, especially during the 7:00 pm - 7:00 am time block. This job would include lap counting, giving physical support and encouragement to the runners, and keeping the coffee pot hot and available. IMPALA CAMPING WORLD has generously provided us with a motor home to use during the Relay.

VERBALLY: By coming out at 12:00 noon on Thursday to see the first runner off. By dropping by during the Relay to have a coffee and cheer the runners on. By being at the finish line on Friday at 12:00 noon to welcome the last runner, and by encouraging your colleagues and students to get involved.

The Relay committee, United Way committee, and executive of the No Name Running Club thank you for your support.

Dave Greenall

REFRESHMENTS * REFRESHMENTS * REFRESHMENTS

The United Way 24 hour rally deserves your support ... but watching people racing around can make you thirsty and hungry. Central Administration and Continuing Education divisions recognized this need and have arranged to have refreshments served from a pavilion on the lower parking lot on Thursday evening, October 27 from 5.00p.m. to 11.00p.m.

Hot dogs, coffee, soft drinks will be available (for a price - all proceeds will go to the United Way) to the intrepid supporters of our campus joggers and racers.

Come out and support these heros of the cinder track who are giving of their all to the campaign. Buy a hot dog, drink their health, cheer them on!

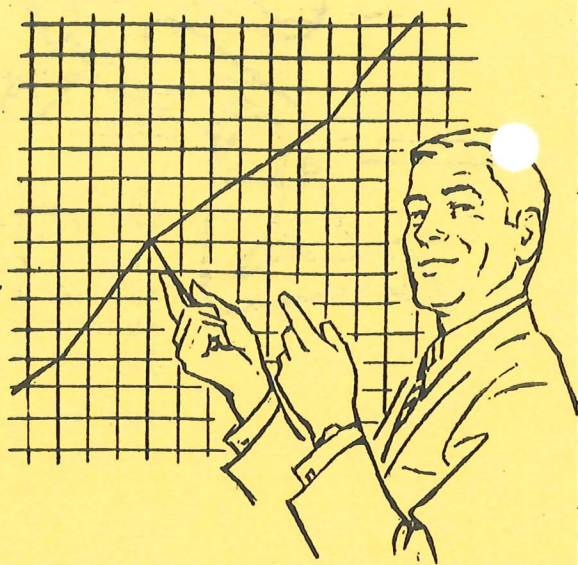

BREAKFAST * BREAKFAST * BREAKFAST

Not satisfied with serving the rally supporters on Thursday evening, the Central Administration and Continuing Education have organized a pancake breakfast for the early morning supporters of our tired and worn racers. The cafeteria will be serving a heart and stomach warming menu. Pancakes and other traditional breakfast dishes will be served from 7.30a.m. to 9.00a.m.

Enjoy the efforts of our joggers from the dining room while you drink your coffee and munch your breakfast.

The proceeds of this fantastic breakfast will go to the United Way Campaign.

THE UNITED WAY CAMPAIGN

The United Way campaign is fast approaching the "home-stretch". The goal for King Edward Campus is \$9,174. So far, we've collected \$3,000., 32.7% of our goal. Marion Farmer is our campaign chairman - she's located in Student Records. If you want to make a donation or require a pledge card or just want information, she would be pleased to hear from you.

Let's put King Edward over the top!

NEIGHBORHOOD PARKING

The neighbors are up in arms - to put it mildly. KEC students and staff are parking on residential streets, blocking driveways, hindering access to residences (for deliveries, etc.) and making it difficult for residents to park. Their anger has reached the point where they are threatening 'towaways', nails on the street and so forth. They are particularly incensed because our parking lot is never full.

Please make a point of asking your students to use the parking lot. Let's make an effort at being "good neighbors" - goodwill on both sides is essential if we are to maintain our good image.

Your co-operation and assistance would be greatly appreciated.

A NOTE OF INTEREST - BUSY? WHO US!

On occasion people may wonder out loud about what it is we do (if anything) in Counselling. Typically, this type of person might say "Whenever I go by your office there is hardly anybody there". In many ways it is an unfair comment because we are never sure if they are referring to us or to our clients.

Until recently our standard explanation has always been centered around: our efficiency as counsellors, the efficiency of our new appointment system, and the privacy of our new offices. However, after completing our recent work study survey, all we have to do now is to give the person a copy of the results.

Between May 17 and September 9, 1983, the Counselling Reception Staff and the Counselling Career Centre staff answered 8689 telephone calls and talked with 9342 clients who came into the Department in person. On a daily basis between July 12 and September 9th the staff handled an average of 259 individual contacts per day.

Because of the sheer volume of enquiries being handled by the Counselling Centre, be sure to let your students know that if they want to see a counsellor and not have to wait, they should book an appointment in advance. If this is impossible for them to do, or if there is an emergency, we will still squeeze them in, but, it does make things more difficult for the staff and the people who have made appointments.

The Counselling Department is open on a regular basis from 8:30 am - 7:30 pm Monday to Thursday and from 8:30 am to 4:30 pm on Fridays. Appointments or workshops outside these hours can be arranged on an individual basis with the counsellors.

Thanks for your support and keep up the excellent referrals - it helps!

TOUR BY POST SECONDARY COUNSELLORS

For those who were not involved in the program or did not have a chance to meet our guests, the strange group of people wandering around our campus last Friday were representatives from the Counselling Departments of most of the post secondary institutions in the lower mainland.

The KEC Counselling Department hosted an open house to let post secondary school counsellors know what we do at this campus, the sort of student services we offer, and how they could access our programs and services.

The open house was a complete success, with a large part of the credit having to go to the faculty and staff who assisted us in the orientation and tour; Betty Pletcher from the Humanities Dept, Wayne Bottlinger from the Adult Special Education Dept., Howard Turpin from the Vocational Planning and Work Readiness Dept., Barbara Little from the BTSD program, Ross Barbour from the ELT assessment unit, and finally, to Maria Brown, a BTSD instructor who came to our rescue at one point of the tour.

Special notes of thanks must also go to Thorne Husband and Frank Fornelli for planning the program, and to the rest of the counsellors and support staff for their part in the program.

Our visitors were impressed by what they saw. They liked the physical layout and the way in which the buildings are looked after - a compliment to both our security and cleaning staff. They liked the friendliness of the faculty and staff, and the way in which we worked together. Finally, they were impressed by the wide range of programs and specialized services offered by KEC.

Once again, thanks to everybody who helped out. In all it was a good prelude to our November 4 Open House.

MARGARET JAMESON

Margaret Jameson, a Business Education Instructor in the College Foundations Division, recently completed her Diploma of Technology in Financial Management-Accounting Technology at the British Columbia Institute of Technology. Margaret, apart from attending for one term on educational leave, completed the two year full-time equivalent program as a part-time student. She is to be congratulated for her persistence and her very high level of achievement throughout the program. Her students will certainly benefit from her study.

KING EDWARD OPEN HOUSE

In just over two weeks time we will be holding our Open House. It is your opportunity to demonstrate to our visitors (who will include: Ministry officials, M.P.'s and M.L.A.'s; representatives of the City, of school boards; Vancouver aldermen, and other dignitaries) that we are a very vital and viable organization. In the future we are very likely to need their support, so their memories of us must be very positive. Please ensure that your students will be there - tell them to bring friends and relatives to see us - and involve everyone in your most exciting class of the year!

After the Open House faculty, staff and administrators are invited to attend a social gathering in the cafeteria starting at 9:00 p.m.

Tour Guides

We will need tour guides:

- 1) for a short tour of approximately 45 minutes (starting at 4:00 p.m.) for Mr. Manera's special guests, and
- 2) for campus visitors (between 1:00 and 8:00 p.m.)

If you and/or any of your students (who are not included in classroom activities for any part of this time) would like to "show off" our facility, please give your/their names to my secretary, Myrna Redman, by October 28. Bilingual and multilingual guides will be most appreciated.

Cafeteria Closure

The Faculty/Staff cafeteria will be closed between 2:00 p.m. and 9:00 p.m. on Friday, November 04. The student cafeteria will be open for everyone, including visitors, until 8:00 p.m.

KING EDWARD CAMPUS AWARDS

Please advise students that applications (yellow) for KEC Awards are now available in the Counselling Career Centre. Students are asked to have an instructor complete the bottom section of the application as for ABESAP and hand them in to the box provided in the Financial Aid Office.

Awards will range in value from \$50 to \$250. The Student Fund Committee will determine which award, if any, and of what value students are to receive.

The closing date for applications is November 1st. The Award Ceremony will occur approximately the third week in November.

In the interest of time, Award applicants are not encouraged to seek an interview with the Awards Advisor.

STAFF NEWS

I am sorry to report that Beryl Preston is still having problems with her back and will be unable to administer the academic assessments for some time to come. I am grateful to have Margaret Furiak filling in for her in her absence and would like to welcome Margaret to King Edward Campus.

Another new arrival at King Edward Campus is our new Switchboard Operator, Linda Wickens. Welcome Linda!

FROM THE BOOKSTORE

An error was made in the Staff Handbook issued last week.

In the section dealing with ordering of books, it states instructors may submit book orders. This is contrary to the College policy, which states that book orders may only be submitted by the appropriate Department Heads.

Therefore, instructors should discuss their requirements with their Department Heads, who will be responsible for submitting all orders.

An updated and accurate procedures will be included in the next printing of the handbook. Apologies for any inconveniences this may have caused.

Hallowe'en candy is available in the Bookstore. We have bags of 16 small chocolate bars for \$2.99. Note that the staff discount will apply. Also, for the Hallowe'en season we are running a little contest. There is a jar of jelly beans located in the display case as you enter the bookstore. Your task is to guess the exact number of jelly beans contained in the jar. The closest guess will receive the jelly beans and a T-shirt.

And speaking of T-shirts, we have finally received the T-shirts and sweat-shirts, printed with a VCC/King Edward Campus logo. There are different designs, colours and sizes. Stop in and see what we have for you.

Christmas cards and accessories will go on sale next week. Prices will be 15% off the prices set by Carlton. In addition to this discount, staff will receive their standard discount of 10%.

DIANE THOMPSON MEMORIAL AWARD FUND

I am pleased to report that we have received \$760. to date for the Diane Thompson Memorial Award Fund.
