## LIBRARY FILMS May 29 (11:45 in the Library Screening Room)

### I AM JOE'S HEART

Henry Morgan of M\*A\*S\*H\* fame is the personality-voice in this animated and live film. It follows the average businessman Joe through his daily routine, emphasizing the "beating" his heart takes through neglect and abuse. The message is a plea for understanding of the heart and the risk factors involved in heart attack.

### WHY ME?

An animation that illustrates the reactions of one individual who has just been told by his doctor that he has only a short time to live. In a terse and sometimes humorous dialogue with his doctor, Nesbitt Spoon runs the gamut of emotions commonly experienced by people trying to deal with this devastating situation.

## A/V ACQUISITIONS IN THE LIBRARY

Microcomputers: an introduction  
Arthritis: a dialogue with pain  
Fight for breath: emphysema  
Digestive system  
At 99

Janine Huot	381

### ELECTROTECHNOLOGY IN 1985

For two weeks in 1985, Montreal will be the world centre for electrotechnology. More than 1000 electrical, electronic, telecommunication, and nuclear energy specialists are expected to converge on the city for the 1985 General Meeting of the International Electrotechnical Commission (IEC), to be held from May 20 to June 1.

It will be the first time that Canada hosts the prestigious general meeting. For more information, write to:

Standard Council of Canada  
350 Sparks  
Ottawa, Ontario  
K1R 7S8      Telephone: (613) 238-3222

### FROM THE OHIO STATE UNIVERSITY

The National Centre for Research in Vocational Education announces that additional fellowships will be awarded in its Advanced Study Centre for 1984-85 and 1985-86. Applications for the 1984-85 academic year must be submitted by March 1, 1984 and for the 1985-86 academic year by March 1, 1985. Awards for each year are announced on or before April 15.

Individuals interested in applying for a fellowship in the Advanced Study Centre should write for application forms at:

The National Centre for Research in Vocational Education  
1960 Kenny Road  
Columbus, Ohio  
43210      Toll free telephone: 800-848-4815

# Career Access

## THE FACTS

### WHAT IT IS

**CAREER ACCESS** is designed to provide employment opportunities for those who face serious difficulties in finding on-going employment. It operates through a system of wage subsidies to employers. Individuals hired under Career Access obtain valuable work experience through which they can learn the skills to qualify them for continuing employment.

#### CAREER ACCESS FOR YOUTH:

The primary focus of the program is to deal with the urgent employment problems facing youth today, for example, that critical transition from school into the world of work.

Similarly, those who have been unemployed for reasons of physical or mental disability, or other employment disadvantage, can acquire work experience to help them gain access to the regular labour force.

### HOW IT WORKS

#### Employers:

- Businesses, private organizations and community groups are eligible to apply at any time.
- Employee referrals must be obtained through Canada Employment Centres.

#### Contributions:

- Subsidies are generally paid at the rate of 50 per cent of gross wages, to a maximum of \$15,000 per employee. In exceptional cases, the subsidy can go to 85 per cent.
- Smaller employers (i.e. up to 10 employees) are limited to two subsidized positions at a time, others, up to 20 per cent of their total workforce.

- Subsidy periods generally range from 4-26 weeks.
- Under certain circumstances, a maximum of \$10,000 may be paid to provide facilities or equipment for disabled persons.
- In addition to salary payments, up to \$80 weekly may be paid to non-profit or charitable organizations to offset other costs.
- Up to \$100 per person may be paid for protective clothing or equipment such as work boots, hard hats, etc.
- Financial assistance is also available to community groups to help deliver the CAREER ACCESS program.

#### Job Seekers:

- Those eligible to receive a wage subsidy include:
  - youth who are unable to get a job, particularly those who lack work-experience;
  - youth and others with post-graduate qualifications who have left school and who are unable to find work in an area appropriate to their post-secondary occupational qualifications;
  - disabled or disadvantaged people;
  - men and women returning to the work force after a prolonged absence.

#### Proposals:

- Requests for CAREER ACCESS assistance must meet certain criteria:
  - ordinarily, the job offered must provide full-time employment;
  - personal services to the employer are excluded;
  - there must be reasonable expectation of continued employment beyond the subsidy period;
  - no existing employee can be displaced;
  - employment paid solely by commission or so-called "piece work" is excluded.

### WHICH EMPLOYERS ARE ELIGIBLE TO PARTICIPATE?

Any firm, organization or individual in business for six months or more may participate in CAREER ACCESS.

### INTERESTED?

Further details may be obtained from your local Canada Employment Centre.
