## IN MEMORIUM

### VCC-VANCOUVER VOCATIONAL INSTITUTE LIBRARY

Mr. Lloyd Ferguson, instructor in the Power Engineering Department since 1976, passed away on Wednesday, June 20, 1984 after a lengthy illness. We all share in offering our condolences to Lloyd's family.

## COLLEGE BOARD

The College Board, at its meeting on Wednesday, 1984 June 27, approved the purchase of the new Computer Aided Drafting equipment recommended by the Department in order to modernize its programs and introduce Computer Aided Drafting upgrade training. The purchase will include 18 C.A.D. Tektronix workstations driven by the General Data MV 10000 mainframe computer, 1 large Plotter, 2 small Plotters, and the Anvil software package. It is hoped that the equipment can be installed some time at the beginning of September. The Drafting Department is to be complimented for a very thorough and lengthy examination of all the options and suppliers. It has not been an easy task to do all this preparation work on top of the regular departmental instructional responsibilities. The Board expressed its sincere appreciation for the excellent work done by the Committee, consisting of the Department Head and Drafting instructors, the Director of Computer Services, and the Director of Purchasing.

## FAREWELL TO SAM LEWINDON

It is with sadness that the VVI sees Sam Lewindon, Department Head for Hairdressing, leave the campus to go to new challenges at K.E.C. Sam has, for a number of years, been the driving force behind new activities here on campus and will be sorely missed. His enthusiasm and positive attitude has been a great contribution here and I am sure he will continue to serve the College well at K.E.C.

## THANK YOU

Mr. Len Pheasey, Instructor from the Marketing Micro Technology Program, wishes to thank everyone for the lovely basket of fruit he received while in the hospital. It was deeply appreciated.

## INSTRUCTIONAL MEDIA SERVICES HOURS OF OPERATION

Instructional Media Services will be open from 7:30 to 16:00 Monday to Friday for the months of July and August in order to accommodate vacation scheduling. Anyone requiring Instructional Media equipment after hours should make prior arrangements so the pick-up and drop-off of equipment can be arranged.

## MALL SALE

I would like to thank everyone who participated in the successful Mall sale. \$1,200 was raised towards what we hope will be a V.V.I. Bursary Trust Fund. Special thanks to those students who sold our "specialty merchandise":

Sharon Johnson	Power Sewing
Regina Chand	Power Sewing
Bonnie Squarebriggs	Hairdressing
Rhonny Russman	Word Processing
Olga Bajus	Word Processing
Tod Farion	Building Services

To George Clark, "Snake Oil Salesman Extraordinaire" - our hearty thanks.

RGS

## LEARNING SUPPORT CENTRE

As of 1984 July 03, the Learning Resource Centre will be located on the main floor of the Library, to the left of the entrance. Free tutoring in math and sciences, from 11:30 - 17:00 is available.
