HAIRCUTS

The bus stoppage has created a problem for the Hairdressing and Men's Hairstyling programs. We are in need of clients. Therefore, the Department will be open to students, staff and instructors for haircuts, blow dry's or shampoo-sets for only \$1.00. Students must show their valid student cards when coming to the Department.

Permanent waves, body waves and hair colouring sessions are by appointment as usual. Appointment times are:

Hairdressing	8:00 and 15:00
Men's Hairstyling	12:30

Please let your students know about this. It applies only for the duration of the bus stoppage. We appreciate your cooperation.

THE THINKER

"The Thinker" is a new concept in Cable 10 programming. It is an intellectual quiz show which tests a contestant's general knowledge, allowing each contestant to choose his own area of expertise in which he must prove himself. The program's first half is devoted to testing general knowledge; the second to testing the contestant's knowledge of his chosen field. The competition will be aired throughout the Lower Mainland. Contestants will be selected by the cable systems of Richmond, Burnaby, Vancouver and Fraser. If you would like to be "The Thinker" of 1984, or would like more information on the program, contact your local cable company. Contestants must enter before 1984 July 22.
