VOLUME 03: NUMBER 11: MARCH 21, 1985

GRADUATION

VVI had another very successful graduation last Thursday. I would like to thank all the people who worked behind the scenes to make it a success including Food Trades who ensured that the coffee and cookies were ready on time, George Clark who handled all the arrangements of furniture in the foyer and Judy Weiss and all the support staff who helped with the program and gowns. I am sure I have missed someone but I would like to extend my sincere thanks to all those involved.

LIBRARY NEWS

Noonhour film for March 26. BAMBOO, LIONS AND DRAGONS

Two families, the Changs and the Lims, tell the story of the Chinese community in Vancouver from widely different perspectives. Chang Yun Ho arrived in Canada in 1908. His generation never integrated into the Canadian mainstream, partly because of the passage of the Asiatic Exclusion Act that fostered racism. By contrast, Liz and Herb Lim were born in Canada and grew up in Chinatown. They now live in the suburbs, totally acculturated to Canadian ways.

FROM THE STRANGE ENCOUNTERS BIN a Counselling encounter . . .

Unknown person: I just bought a steam locomotive kit and I would like to get

it put together here at VVI.

Staff member: I'm sorry but we have no department that does that sort of

thing.

Unknown person: I don't understand, you have a steam plant here and I'm sure

they can do it. I get my hair cut here for \$1.50 and I thought I could get the steam engine done here much cheaper.

Staff member: Sorry, the Power Engineering Department doesn't work on small

things like that.

Unknown person: Well I'm a non-alcoholic in many areas

(at this point our staff member quickly left the counter)!!
