24 HOUR RELAY

The 24 Hour Relay in support of the Lion's Society for Crippled Children will be June 22nd and 23rd at Swangard Stadium Saturday 10:00 am to Sunday 10:00 am. The "VCC-VVI NO NAME RUNNERS" are again entering a team and through George Clark's artistic and resourceful efforts, we will for the first time have a banner with our name on it.

Should any students, support staff, faculty or administrator wish to be in the group of substitute runners, please phone Dalton at Local 217.

Our team members all have pledge cards and we are encouraging all of VVI to support us with team pledges. Please come out to Swangard and support your team! KEC will be entering two teams which should provide some interesting VCC comparisons.

Last year with 100 teams competing, \$377,00 was raised, which is the biggest one event fund raiser in Canada.
