LOCKER SECURITY

VCC-VANCOUVER VOCATIONAL INSTITUTE
LIBRARY
JUL 19 1985

Lockers on the third floor, Food Trades are being broken into on a too frequent basis. Your assistance is requested to assist Security in checking this area. Advise your students of this problem and ask their cooperation in stamping out the break-in problem in both this and other areas.

RGS

FROM THE MANAGEMENT COMMITTEE

After much deliberation the Management Committee is recommending that the employee lunch room be designated a non-smoking area. This will remain in effect until September 1st of this year upon which time a review of the situation will take place.

RGS
