VOLUME 03 : NUMBER 26 : JULY 12, 1985

## SUMMER HOURS

VCC-VANCOUVER VOCATIONAL INSTITUTE  
LIBRARY

JUL 16 1985

### Instructional Media Services

Effective Wednesday, July 10, Instructional Media Services VVI will be open from 07:30 to 16:00, Monday to Friday. They will return to the regular schedule in September.

KH

### Library

During the months of July and August, the library closes at 20:00.

CS

### Administration

Not only for the summer, but all year round, the Admin offices on the second floor are closed between 12:00 and 13:00 and please note that telephones will not be answered between those times. Regular office hours are 08:00 to 12:00 and 13:00 to 17:00.

MEL

### Health Services

Dr. Burns is on vacation until July 22nd, but Dr. Norman Hogg, the College Physician, will be on campus Tuesday, July 16th between 14:00 and 16:00 for anyone interested.

PS

## KNOWLEDGE NETWORK

Dr. Glen Farrell has been appointed President of Knowledge Network effective September 1, 1985. He joins the Network from the University of Victoria where he is Director of University Extension and Community Relations. He has also been closely associated with British Columbia's open learning developments since 1976 and has been instrumental in the development of the Open University Consortium of British Columbia.

PG

## CONGRATULATIONS WITH A SMILE

To Dottie Demosky who went to the chapel on June 29th and got married to Tom! To simplify things, Dottie kept the same initials but Demosky is now Dudley!

MB

Congratulations also to Lawrence Holoboff on his new position as Department Head of the Dental Technician/Dental Mechanic Department!

MB

## EXPO TICKETS

The final tally for Expo tickets is \$61,695.50 consisting of 428 adult + 99 child/senior Season Passes, and 635 adult + 155 child/senior, 3 Day Passes.

It will be late July before Expo processes the paperwork and all tickets will be distributed through Wayne Matthewson's office with a target completion date of August 23rd.

- Season Pass purchasers will receive a certificate which must be exchanged for a Season Pass Photo ID at designated Woodward's stores
- 3 Day Pass purchasers will receive a Passport type ticket requiring the users signature and which is non-transferable

NOTE: the pass is considered equivalent to cash, and neither Expo nor VCC will reimburse for lost or stolen tickets!

WM

## JOB POSTINGS

East Kootenay Community College is looking for a Dental Assistant Program Instructor 9 from September 1, 1985 to August 31, 1986. More information is available from Audrey Vaille, Chairman, Vocational Service Programs, Phone (604) 489-2751, Local 212. Closing date is August 6, 1985 or until the position is filled. Apply to J.L. McInnis, President and C.E.O., East Kootenay Community College, Box 8500, Cranbrook, B.C., V1C 5L7

## FIRST AID CONTACT

Please cut this out and tape to your telephone!

FIRST AID AND OTHER EMERGENCIES WHEN  
SWITCHBOARD IS CLOSED, DIAL 227 TILL 22:00

TRRM

## RED CROSS BLOOD DONOR CLINIC

The Canadian Red Cross Society will be holding a blood donor clinic on Thursday, July 18, 1985 at the VVI. The clinic will be open 10:00 to 14:00 and will be located in the Mall area.

Summer is traditionally a difficult time for maintaining blood supplies and your donation would be greatly appreciated.

138 times blood donor Bill Hireen in the donor rest area sharing a moment of laughter with volunteer worker Jean Harris

## The Friendly Type

His blood **type** is O Positive. He is also **positive** about his life style. A friendly **type** of man always smiling, happy and humorous.

Four times each year, once every three months, he takes time to visit the permanent Red Cross blood donor clinic on Oak Street to shed a 'precious pint for people'. He is part of the Red Cross family both staff and volunteers greet him by name.

His name is Bill Hireen, a veteran, a legion member, a truck driver, a humanitarian, a blood donor. The date on his first donor card states 1945, Saskatchewan. Bill is now 58 years of age. He has donated 17 1/4 gals. of blood or 138 pints.

Let us examine what Bill really did for those in need.

- a) One donation of blood is classified as one unit
- b) Each unit is separated into two, three or four component parts
- c) The number of components separated from whole blood is dependent on hospital requirements
- d) As the permanent clinic is housed in the same building as the Red Cross Laboratory almost 100% of the blood collected on the premises is separated into three or four of its component parts
- e) His 138 donations multiplied by three ends up a total of 414
- f) Bill has helped a minimum of 414 people by sharing his good health four times a year

He is not interested in numbers only in giving as often as is permitted. He states "the birth of a life long blood donor habit started at an early age, but it is not such a bad habit. It is something I believe in" he said. Bill carries his habit further by recruiting new donors to the blood habit.

New donors are our life blood (no pun intended) so Bill is a "donor plus" in our books.

His reason for becoming a regular blood donor:

- 1. He recognized the need for blood
- 2. To set a good example for the younger generation
- 3. Because I have met some very interesting people while donating blood over the years.

Thank you Bill Hireen. We need more of your 'type'.

"Snobs are people who forget that God created the world in a round shape so that no one could be first in a circle."

-Rev. Billy Graham

JAMBO from Janet Corns

(That is Swahili for hello)! Janet is at the Lolwa Station in Zaire and passes along her greetings. She is enjoying her work in the school there but says a word processor would be ideal - if only there were some electricity. Janet feels she would want to feed the whole population if she stayed there too long though, noting that the children are always hungry and yet no one complains. She even relates how one man came to her door trying to sell his child's bed so he could afford to buy food. As it happened Janet already had a bed and typically shares it with a lizard or two at night. Janet doesn't know how to say goodbye in Swahili so she signs off by telling us all to take care and not to work too hard.

JC

#### INSTRUCTIONAL TYPING

Please note that any requirements for Instructional word processing may be directed to the Word Processing Centre (Delphia Johnstone, Local 427) but that any confidential personnel typing should be directed to the Dean of Instruction's office (Kim Cabral, Local 246) or the Principal's Office (Francine Lesonsky, Local 237).

MEL

#### A DAY OFF

So you want the day off?

Let's take a look at what you are asking for . . . . .

- There are 365 days per year available for work.
- There are 52 weeks per year in which you already have 2 days off per week leaving 261 days available for work.
- Since you spend 16 hours each day away from work, you have used up 170 days, leaving only 91 days available.
- You spend 30 minutes each day on coffee break that accounts for 23 days each year, leaving only 68 days for work.
- With a one hour lunch period each day, you have used up another 46 days, leaving only 22 days available for work.
- You normally spend 2 days per year on sick leave. This leaves you only 20 days available for work.
- We are off for 5 holidays per year, so your available working time is down to 15 days.
- We generously give you 14 days vacation per year which leaves only 1 day available for work and I'll be damned if you're going to take that day off!

Your supervisor
